SUPERINTENDENT'S LETTER

Dear Parents/Caregivers:

Thank you for allowing us to be a part of your child's life and we look forward to a great year, partnering with our families. We value this partnership and research shows the stronger this partnership is, the more successful our students are. As we continue to recover from the Alameda fire and serve in a post-pandemic capacity, our focus is to provide opportunities for families to engage in our district. Based on feedback, we are committed to engaging families in two-way communication, help our families support their child's academic needs at home, and be available for families. This is our promise to you.

Our District remains committed to "Excellence for Everyone", which includes our students, staff and families. We know you are your child's first and most important teacher. Working together we can achieve successful outcomes for all of our students. With the support of our school board, our district is committed to growing the connection and engagement from school to home.

Please feel free to contact my office to schedule an appointment with me or contact any of our schools to schedule an appointment with a principal. ***Together, PTS Rising will continue to rise above and the partnership with families is vital to this success.***

Brent Barry,
Superintendent

PHOENIX-TALENT SCHOOL DISTRICT VISION

**Together, we shall meet the challenges of preparing
responsible, creative, life-long learners.**

We believe...

- Education is the joint responsibility of the community, school, family and students.
- Our schools must provide a safe, secure environment where healthy values, minds, and bodies can grow.
- Everyone can learn.
- The needs, interests, feelings, and developmental stages of each individual deserve recognition.
- It is our responsibility to encourage the development of self-worth and the full potential of each individual.
- Our educational program shall provide a core of knowledge that cultivates personal excellence for success in a global environment.

PRINCIPAL'S LETTER

Students and Families,

Welcome to Phoenix-Talent School District's newest school, Phoenix-Talent Rising Academy (PTRA). We are a kindergarten through 8th grade school and we offer educational opportunities for students in a hybrid online/in-person environment. Our goal is to provide maximum flexibility combined with a strong menu of academic offerings to help students grow academically and optional in-person learning and activities to help them grow socially.

Our kindergarten through 5th grade program is designed to allow families to teach their students at home with the added support of a licensed teacher providing curriculum, direct instruction, assessments, and coordinated socialization opportunities. You are free to create your own schedule for your child to learn in a way that works for your lifestyle. Our teachers can also provide extra resources for families that wish to go above and beyond required learning.

In our middle school program, we use Edmentum as the basis for our coursework. Edmentum is an award-winning online platform that students can access anytime, from anywhere. We also use additional supplementary online programs to reinforce math and reading skills, as well as for diagnostic purposes.

While our middle school classes are online and self-paced, students have a licensed teacher available to them via email or Google Meet. We also offer in-person opportunities in our classroom on the Phoenix Elementary School campus where students have the option to come into the classroom for help with their courses, for a quiet place to study, and for social activities. Also, because we are part of the Phoenix-Talent School District, students are able to join in extra-curricular activities such as clubs and sports through Talent Middle School's programs.

At PTRA, families are directly involved in charting their students' educational direction and progress every day with the knowledge and support of our professional staff. We're glad you've decided to come along on an educational journey with us! We are the PTRA Phoenix and we are Rising!

If you ever have any questions or concerns, please feel free to contact us at 541-897-5108 or email any of our staff members.

Professionally,

Aaron Santi, Principal

SCHOOL HOURS

School hours for contacting staff are 8:00am - 4:00pm, Monday through Friday, not including holidays. We are available by email, text, calls, and Meet during school hours. Email is the easiest for us to reply to between classes. If you call and we don't answer the phone, we are probably teaching, so please leave a message and we'll get back to you as soon as we can. We try to respond within 24 hours on school days.

Our classroom/office is on the Phoenix Elementary School campus, and we are available in-person for students and families by appointment.

COMMUNICATION

Information about school events, meetings, and activities will be communicated in English and Spanish to parents/caregivers through emails and on our website www.phoenix.k12.or.us/ptra. Parents/caregivers will be told about changes in curriculum, staffing, and their student's instructional program through email, Blackboard Notification System, or ClassTag app.

Assessment results will be shared during parent/caregiver-teacher conferences and at parent's/caregiver's request. School performance will be presented using current Oregon Dept. of Education standards and/or District checklists.

Parents/caregivers may sign up for the PTRA Family Directory as a way to get community support from other families, especially when school staff is not available.

EVERY STUDENT BELONGS

The Oregon Legislature has determined that a person may not be subjected to discrimination in any public school or interschool activity. The State Board of Education's policy says students and employees in public schools are entitled to learn, work, and participate in an environment that is safe and free from discrimination, harassment, and intimidation.

Symbols of hate on the basis of race, color, religion, gender identity, sexual orientation, disability, or national origin including the noose, symbols of neo-Nazi ideology, or the battle flag of the Confederacy create a material and substantial disruption in school activities and the learning environment by creating an atmosphere of fear and intimidation and interfere with the rights of students by denying them full access to the services, activities, and opportunities offered by a school. These symbols are not allowed at Phoenix-Talent Schools, and displaying, drawing, or sharing them with others may result in student discipline.

Phoenix-Talent Schools' students are expected to be safe, respectful, and responsible.

Students are expected to act in a way that allows teachers to teach and students to learn.

ORIENTATION MEETINGS

All students and parents/caregivers must attend an orientation meeting every year. Group orientation meetings are held every September, and individual orientation meetings for mid-year transfers are held as needed, to talk about attendance, parent/caregiver involvement, and student expectations.

HOW YOU CAN HELP

PARENT/CAREGIVER ROLE IN PTRA

PTRA is a hybrid school utilizing teacher-supported, online-based home instruction. Parents/caregivers are an essential partner in their child's education. Younger students need more intensive support—parents/guardians will be their main instructor, assisted by a PTRA teacher. Older students need parent/guardian encouragement and regular monitoring of their progress.

Parents/caregivers can support their child's education in a number of ways:

- 1—Ensure consistent daily school work
 - a—Set aside a time and place for schoolwork
 - b—Monitor student's progress online
- 2—Attend Parent/Caregiver Conferences and school events
- 3—Volunteer for school or district committees
- 4—Talk about the importance of a good education

The school will provide materials and training to help parents/caregivers work with their student to improve their student's progress on request.

PARENT/CAREGIVER-SCHOOL COMPACT

Phoenix-Talent Rising Academy works with parents/caregivers as equal partners in their student's education. Our Parent/Caregiver-School Compact talks about:

- 1-PTRA's responsibility to provide high quality curriculum and instruction,
 - 2-Parent/caregiver's responsibility to instruct and support their student's learning,
 - 3-Parent/caregiver's responsibility to communicate regularly with teachers,
 - 4-Student's, parent/caregiver's, and teacher's shared responsibility for student success.
- This compact will be discussed by all stakeholders and signed at the orientation meeting.

PARTICIPATION

Parents/caregivers can participate in school-wide decision-making at Orientation Meetings and Parent/Caregiver Conferences.

Phoenix-Talent Rising Academy will provide full opportunities for the participation of parents/caregivers with limited English proficiency, parents/caregivers with disabilities, parents/caregivers of homeless students, and parents/caregivers of migratory students. Information and school reports will be provided in a format and language parents/caregivers understand. Barriers to parent/caregiver participation, including transportation, language, and other barriers, will be addressed on a case-by-case basis. Phoenix-Talent Rising Academy will, if necessary, arrange school meetings at a variety of times and conduct conferences online in order to maximize parent/caregiver involvement and participation.

SCHOOL SUPPLIES

Parents/caregivers are asked to provide their children with necessary and appropriate school supplies. School supply lists will be provided by the teachers and will be available on the school website.

VISITORS

Children's safety is our first concern. Anyone who is not a PTRS student or school district employee **MUST** stop at the office and sign in to receive a visitor pass before going anywhere in the school.

Visits to our classroom/office need to be arranged in advance so that staff will be present, because we often work from home. Parent/Caregiver-Teacher conferences need to be arranged in advance with the teacher. Anyone requested to leave the school grounds by the Principal must leave immediately.

VOLUNTEER PROCEDURES

A school volunteer is someone who has been invited by staff to serve under their supervision and direction to perform specific tasks in order to enhance school programs. School volunteers are expected to maintain a professional demeanor and respect confidentiality, like all school employees. Volunteers are considered employees of the District for Worker's Compensation insurance purposes. Volunteers cannot have children with them while volunteering.

For student safety, all volunteers are required to fill out a background check form and submit ID for verification. Volunteer paperwork should be turned into the office at least two weeks before volunteering. Volunteer forms need to be renewed every other year. Volunteers are required to sign in before going to their work areas and to wear a name badge.

EVERY DAY COUNTS

STUDENT ATTENDANCE

Regular school attendance is essential for success in school, and is a pattern that will carry into the student's adult work life. We highly encourage parents/caregivers to support regular school attendance.

Oregon laws [ORS 339.010](#) and [ORS 339.095](#) state that a child between 7 and 18 years of age, who has not completed the 12th grade, is required to regularly attend a public full-time school of the school district in which the child resides, and that failure to send and maintain your child in regular attendance is a Class C violation, which may result in a citation.

Attendance

PTRA students are expected to check in with their teacher every school day for 100% attendance. Attendance is marked when a student (or parent/guardian, for elementary students) checks in with the teacher via school approved methods. Doing their work is how students earn a grade, checking in with the teacher is how students "show up" for attendance.

Absence Process

To excuse an absence, call or email your student's teacher or the school office prior to any absences. If that is not possible, call or email within 48 hours. If it is not called in, it will be counted as unexcused.

Excused Absences may be considered for:

- Student illness or mental health/medical emergency
- Death in the family
- Family emergency
- Religious observance
- Active duty Armed Forces dependents

Prearranged Absences in accordance with state law, may be considered Excused only if 1-satisfactory arrangements are made prior to the absence, 2-they are deemed appropriate by the school administrator, and 3-they meet one of the following criteria:

- Prolonged student medical issue (requires medical note)
- Serious illness of student's family member
- Family bereavement
- Legal/court obligations
- Religious observance

Unexcused Absences are absences that have not been called in within 48 hours, or absences that were denied. Because PTRA is an online-based school utilizing Chromebooks or other portable electronic devices, and because students are able to check-in and do schoolwork any five days of the week, absences due to vacation and appointments not listed above will be considered unexcused.

Truancy Process

Four or more unexcused absences in any four-week period (20% absenteeism) are considered irregular attendance, as defined by [ORS 339.065](#).

Step 1: Truancy warning letter with attendance summary, and phone call when appropriate

Step 2: Mandatory attendance meeting and interventions to help support student attendance

Step 3: Truancy citation, court appearance, and court mandated attendance agreement

Oregon State law [OAR 581.023.0006](#) requires the district to withdraw the student from school when a student reaches 10 consecutive days absent (excused or unexcused).

CALENDAR

Our calendar is on our [website](#).

EMERGENCY CLOSURE

When there is an emergency closure, parents/guardians will be contacted by phone, text and/or email through our automated notification system, Blackboard. When Blackboard calls, it will leave a message if you are unable to answer. If you see a missed call from the school, check your messages before calling us. You may also listen to the radio or watch local TV news beginning at 6:30am for information about delayed openings or school closures due to inclement weather, or check the district website www.phoenix.k12.or.us. DO NOT call the school office. School telephone lines must be left open for school district information.

PARENT/GUARDIAN CONFERENCES

Parent/guardian conferences are scheduled throughout the year—see the school calendar on our website www.phoenix.k12.or.us/ptr for current dates. Parent/guardian conferences are important to the education of each student, and it is important for you and your child to attend.

PROGRESS ASSESSMENTS

Progress reports or report cards are issued at the end of each grading period. Students' progress toward meeting the Oregon State Standards will be reported and may include student work samples and scores. Progress will be reported on a District approved report card and may include student work samples scores. Students will help to report their own progress during parent/guardian conferences.

RETENTION

If retention is a consideration, parents/guardians will be notified. A conference will be scheduled with the teacher and the principal. Any decision to retain a student is made with the assurance that it is the best method for a student to acquire the academic and/or social skills necessary for future success in school. If retention is a consideration, it is normally considered in kindergarten or first grade.

LET US GET TO KNOW YOU

STUDENT RECORDS

Student records are confidential. Federal and State laws specify who may see student records and the procedures for release of records. Parents/guardians have the right to examine their child's records. Your school principal will be happy to assist you.

Directory information is information contained in a student's educational record that is not generally considered harmful or an invasion of privacy if released. The following categories are designated as directory information. This information may be released to the public through the appropriate procedures.

- 1–Student's name.
- 2–Date and place of birth.
- 3–Participation in officially recognized sports and/or activities.
- 4–Weight and height of athletic team members.
- 5–Dates of attendance.
- 6–Degrees or awards received.
- 7–Most recent previous school or program attended.

REGISTRATION

Registration is required each school year to update your student's records and to let the school know you will be returning. Students are required to have a birth certificate and immunization record on file at the school.

TRANSFERS

Phoenix-Talent School District students may request to attend PTRA by contacting us directly. Students from other Oregon school districts may begin the process by contacting the administration at their current school and obtain an interdistrict transfer request form signed by the student's home district. Then, parents/caregivers may contact PTRA for an intake meeting. Transfers into or out of PTRA are preferred to be done at the beginning/end of school quarters, however special circumstances will be looked at on an individual basis.

Notify the school office as soon as you know your child will be transferring out of the school or district, and ensure all school materials including Chromebook and charger are returned to school. Records will be transferred upon request from the receiving school.

STAY WELL

ACCIDENTS

It is the District's intent, in the event of an accident, to provide first aid. If further medical attention is required, it is the parent/guardian's responsibility. In the event of serious injury, emergency medical personnel will be called.

COUNSELING

Counseling services are available at the elementary schools on a limited basis. We have a psychologist who visits the schools periodically. Please contact the Principal for information on available services.

HEALTH SCREENINGS

Teachers and parents/guardians can request Speech/Language/Hearing screenings throughout the year. The screening takes a few minutes and is used to help determine if further testing is needed. Please contact our office to request a screening. A teacher will contact you for consent if they would like your child to be screened. Vision screening is performed every fall by the Lions Club, and dental screening and treatments are provided by La Clinica. Information will be emailed home before the screenings. If you would like your child to be screened and/or receive treatment, please contact our office for an appointment. If further screening is needed, the parent/guardian will be informed.

IMMUNIZATIONS

Oregon law requires that each student be immunized against certain communicable diseases before attending classes. Students may be denied the privilege of attending school in person until accurate records are presented to the school. Immunizations may be obtained quickly and at reduced cost through Jackson County Health Department (541-776-7300), La Clinica (541-535-6239) or at the School-based Health Center at Phoenix Elementary (541-535-1065).

MEDICATIONS

State law mandates that schools cannot distribute any medication without a medication form signed by the parent/guardian, whether over-the-counter or prescription. The medication form is available in your school office and must be filled out prior to medication being distributed by the school. Medications must be in their original package.

STUDENT INSURANCE

The District does not provide medical accident insurance for students for school-related injuries. However, the District does make low-cost student accident insurance available for voluntary purchase. If you do not have medical coverage, we highly recommend purchasing this insurance for your child. While we work hard to attend to your child's safety, accidents can and do happen. Accident-related injuries to uninsured students may cause financial hardship for families. All costs related to paramedic transportation, x-ray, examination and/or treatment shall be the sole responsibility of the family.

SUICIDE PREVENTION AND INTERVENTION

Schools are exceptionally resilient and resourceful organizations, whose staff members may be called upon to deal with a crisis on any given day. Schools can be a source of support and stability for students and community members when a crisis occurs in their community. Accordingly, the Suicide Prevention and Intervention Plan is intended to help school staff understand their role and to provide accessible and effective tools. The entire plan can be found on our District website.

WELLNESS PROGRAM

To ensure students possess the knowledge and skills necessary to make healthy choices for a lifetime, the district created a Wellness Program consistent with state and federal requirements. The Wellness Program includes nutrition education, serving healthy and appealing foods, developing food-use guidelines, and establishing liaisons with nutrition service providers. A complete copy of the Wellness Program is located on the Phoenix-Talent School District website.

HAVE FUN

FIELD TRIPS

Field trips, in general, are an extension of classroom instruction. Information will be emailed home regarding each field trip. Please reply and pay promptly if needed.

INSTRUCTIONAL MEDIA CENTER (LIBRARY)

Students may use the PES/TMS media centers for checking out books, research, and study. Students are responsible for items they check out. If books are lost or damaged, students will be expected to pay for the loss or damage. PES has parenting information to check out.

ELEMENTARY SPORTS

Opportunities for elementary students to participate in sports are offered through our community partners, such as Little League baseball, Pop Warner football, and local soccer leagues. Parents/guardians will be informed of these opportunities through email as they arise.

MIDDLE SCHOOL SPORTS

Middle School sports are available through Talent Middle School. PTRAs students may join TMS sports teams as long as they provide their own transportation. Seventh and eighth graders may compete interscholastically with other middle schools and junior highs in the valley. There is a \$35 charge per varsity sport with a (family maximum of \$200, including fees paid for PHS students).

Sports Available at TMS

- Cross Country (6th, 7th, 8th) (Co-Ed) September-November
- Girls Volleyball (7th, 8th) September-November
- Football (7th, 8th) (Co-Ed) September-November
- Boys Basketball (7th, 8th) November-January
- Wrestling (6th, 7th, 8th) (Co-Ed) January-March
- Girls Basketball (7th, 8th) January-March Track (6th, 7th, 8th) (Co-Ed) March-May

TMS Sports Eligibility Policy

Participation in activities and sports is very important for students, and for learning at this age. We recognize that 6th graders are not used to meeting eligibility requirements, while 8th graders need to prepare for the more strict high school requirements. Because of this, we have a graduated policy which allows all 6th graders to be eligible, while 7th and 8th graders must meet certain academic and behavioral criteria. Specific criteria and policies are available in the TMS Athletics Handbook.

MIDDLE SCHOOL CLUBS & GROUPS

PTRA students who are interested in TMS clubs and groups may inquire with TMS about them. Parents will be expected to provide transportation to and from club meetings and events.

BE SAFE, RESPECTFUL, & RESPONSIBLE

- 4–Students shall not wear clothing or other items that suggest gang affiliation.
- 5- Hats and sunglasses may not be worn in the building.

INTERNET AND COMPUTER USAGE

The Phoenix-Talent School District is networked and students have the opportunity to learn via computer. However, using technology as a learning tool is a privilege accompanied by serious responsibility. The school's intent is to provide Internet access directly related to classroom educational goals and objectives. We will monitor on-line activities, including the use of "filtering" software and computer history files. Still, the student users and their parents/guardians are ultimately responsible for the students' appropriate educational use of the Internet. School computer users should have no expectation of privacy in email or any other computer use. Teachers and other network staff will review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect files stored on school servers to be private.

Actions including, but not limited to the following, are not permitted:

- 1–sending, receiving, or displaying offensive messages or pictures
- 2–using obscene language
- 3–harassing, insulting or attacking others

- 10–giving out any personal information via the Internet (address, phone number, etc.)
- 11–any use of the Internet that would be considered inappropriate with any other form of media at school
- 12–downloading or installing any information or software that has no directly related educational purpose.

Any violations of the intent of the above policy will be cause for disciplinary action, including monetary restitution for any damages caused by the student's inappropriate computer use.

POSITIVE DISCIPLINE

We believe that children should be taught to be responsible citizens at school. They should realize that freedom and responsibility go hand in hand and that they have a responsibility to others in their school. We believe that good citizenship and good academic performance are intrinsically related. The goal is for students to become independent, self-directed learners.

Positive Behavioral Interventions and Support (PBIS)

PBIS creates an atmosphere of cooperation, academic excellence, respect, and safety. The basic school rules are simple and easy to remember: BE SAFE, BE RESPECTFUL, BE RESPONSIBLE. We believe focusing on positive behavior creates a positive school. Students must know the rules, be responsible for following these rules, and be aware of the consequences when they are broken.

Collaborative Problem Solving (CPS)

Collaborative Problem Solving is used to walk students through their situation and come up with strategies they could use to prevent the problem from happening again. The goal for the discipline process is to encourage a change in behavior. Discipline comes from the word “disciple” which means to teach. We approach misbehaviors as an opportunity to teach wanted behaviors. We believe all students want to do the right thing and if they are not, then something must be getting in the way. Many times it is because the student needs a particular skill developed. Some common skills that may need to be strengthened are:

- Language/Communication Skills (Difficulty communicating with adults or peers)
- Attention/Working Memory Skills (Difficulty maintaining focus or remembering procedures)
- Emotions/Self-Regulation Skills (Difficulty keeping body and/or emotions in control)
- Cognitive Flexibility Skills (Difficulty with the change or willingness to work it out).
- Social Thinking Skills (Difficulty recognizing social cues or hints)

Restorative Justice Practices (RJ)

Restorative Justice is used to help students take responsibility for their actions, understand the harm they have caused, and give them an opportunity to restore relationships that may have been damaged and repair/replace items that may have been damaged. There may also be consequences for misbehavior, such as a conference with the principal and/or parents/guardians. Students may be placed on a contract to modify their inappropriate behavior. Conflict resolution or mediation may be chosen in many cases for students to work out problems they may have with other students.

HARASSMENT & BULLYING

Hazing, harassment, intimidation, bullying, menacing, cyberbullying, and teen dating violence by students, staff, or third parties is strictly prohibited and will not be tolerated in this school or in this District. Each student has the right to a safe learning environment.

Harassment on the basis of race, religion, sex, national origin, disability, parental or marital status, or age means conduct of a verbal or physical nature that is designed to embarrass, distress, agitate, disturb, or trouble students. Demeaning jokes, stories, or activities directed at a student are considered forms of harassment.

Sexual harassment includes demands or requests for sexual favors in exchange for benefits; unwelcome conduct of a sexual nature that is physical, verbal, or nonverbal that interferes with

a student's education or a staff member's ability to do their job or creates an intimidating, offensive, or hostile environment; assault when sexual contact occurs without consent; and other verbal or physical conduct of a sexual nature, but does not include conduct necessary to a staff member's job.

The School and/or District will promptly and reasonably investigate allegations of harassment. Any student or staff who has knowledge of or feels they are a victim of harassment should immediately report their concerns to either of the assistant superintendents.

Violation of this policy may result in discipline, up to and including suspension and expulsion. The School/District has the authority to report students in violation of this policy to law enforcement officials. Retaliation against a person who is a victim of, is thought to have reported, files a complaint, or participates in an investigation or inquiry is strictly prohibited. (See Board Policy [JBA/GBN](#) and [JFCF](#) for exact policy verbiage)

SEVERE DISRUPTIONS

Serious misbehavior including fighting, vandalism, abusive language or gestures, harassment (includes pantsing), refusal to follow directions, or use of drugs, alcohol or tobacco will result in the student being sent immediately to the office and may lead to a parent/guardian conference and/or a suspension from school. In these cases, parents/guardians will be contacted immediately, even at work. Law enforcement agencies may also be involved in violations of this type. Repeated violations may result in expulsion from school.

SEARCH AND SEIZURE

District officials may search a student's person and property when they have reasonable suspicion to believe that a student is in possession of an item that poses an immediate risk or serious harm to the student, school officials, or others at the school or school-sponsored activity.

1-Searches shall be reasonable in scope.

2-District property including desks, shelves, and cabinets may be searched at any time.

3- Drug-detection dogs and metal detectors, or similar devices, may be used only with the superintendent's authorization.

4-Students searches by law enforcement officials ordinarily shall be based upon a warrant.

District officials will attempt to notify the student's parent(s) in advance and will be present for all such searches, whenever possible.

5-Any item in violation of law, Board policy, or school rule may be seized.

(See Board Policy [JFG](#) for exact policy verbiage)

SUSPENSION/EXPULSION

Oregon law [OAR 581-21-055](#) established the following guidelines for discipline--

Students shall comply with the written rules of the school district board, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials, and conduct themselves in an orderly fashion. Students shall be liable to discipline, suspension, or expulsion for misconduct, including but not limited to:

1--Theft

2--Disruption of the school

3--Damage or destruction of private property on school premises or during a school activity

4--Assault or threat of harm

5–Possession of weapons or dangerous items, including firearms, knives, firecrackers, chains, matches, lighters, etc., including realistic look-alikes such as soft pellet guns. Consequences for disregarding this rule include suspension, expulsion, and/or involvement of local law enforcement. (See Board Policy [JFCJ](#) for exact policy verbiage)

6–Possession or use of drugs, alcohol, or tobacco. Consequences for disregarding this rule include suspension, expulsion, and/or involvement of local law enforcement. (See Board Policies [JFCG-AR](#)/[JFCG](#)/[JFCH](#)/[JFCI](#) for exact policy verbiage)

7–Persistent failure to comply with rules or the lawful directions of teachers or school officials

Suspension is a serious consequence reserved for misbehaviors including but not limited to fighting, physical, verbal or cyber harassment, serious defiance or disrespect, using or bringing illegal items to school, vandalism, etc. If your child is suspended, you will be contacted at home or work and, if necessary, be asked to pick your child up from school as soon as possible. Students are to keep up with schoolwork during the suspension, but may not attend or participate in any school activities such as sports, dances, parties, etc.

All suspensions at PTRA are done under Oregon law [OAR 581-21-0065](#). Suspensions will generally be no longer than 10 school days, a written notice of suspension will be given, students will have an opportunity to give their explanation of the situation, and parents/guardians will be notified in accordance with Oregon law. A suspension may be appealed, but will not be postponed pending appeal. A copy of the law will be available upon request.

Expulsion is a last resort in cases of repeated or extreme misbehavior. Oregon law [OAR 581-21-0070](#) sets the guidelines used for expulsion. These include the right to written notice (delivered in person or by certified mail) that states the charges and supporting evidence, the right to a hearing before the hearings officer (usually the Superintendent), the right to representation by counsel, the right to present evidence, and the right to appeal the expulsion to the school board. The district offers expelled students alternative educational opportunities. (See Board Policies [JGD](#)/[JGE](#) for exact policy verbiage)

USE OF PHYSICAL FORCE

Oregon law ORS 339.250 authorizes an individual who is a teacher, administrator, school employee or school volunteer to use reasonable physical force upon a student when and to the extent the application of force is consistent with [ORS 339.285](#) to [339.303](#), and the individual reasonably believes it is necessary to maintain order in the school or at a school activity or event, whether or not it is held on school property.

Private clubs or groups are not allowed at school. All clubs or groups formed at school must have administrative approval and be open to all students. This policy also refers to extra-curricular activities.

LOST AND FOUND

All items that your child brings or wears to school should be marked with the child's name. Parents/guardians need to check Lost and Found periodically for lost items. Items left unclaimed for 90 days will be donated to a charitable organization.

PHOTO POLICY

Student photos, artwork, and photos of classroom activities or special events may be posted on our school or District website, social media, associated publications or yearbook.

Others may be referred to law enforcement agencies. Video recordings may become a part of a student's educational record. (Board Policy [ECAC](#))

WE ALL RISE TOGETHER

ALTERNATIVE EDUCATION PROGRAMS

Alternative education program options have been established and approved by the Board to meet the individual needs of students. These programs will be made available to students who are unable to succeed in the regular programs because of alternate learning styles or needs, or when:

- 1—Two or more severe disciplinary problems occur within a three-year period;
- 2—Attendance is so erratic the student is not benefiting from the education program;
- 3—A student's parent/guardian or an emancipated student applies for exemption from compulsory attendance on a semiannual basis;
- 4—An expulsion is being considered or a student is expelled.

Examples of alternative education program options could include: on-line coursework, independent study, and tutorial instruction. Individual notification of alternative education shall be hand-delivered or sent by certified mail. Every effort shall be made to provide parents/guardians with individual notification prior to an actual alternative school placement.

DIPLOMA OPTIONS

The District will ensure that students have access to the appropriate resources to achieve a standard diploma, modified diploma, extended diploma, or alternative certificate at the high school level. Beginning in grade five, the District will provide information annually of the availability of a modified diploma, an extended diploma, and an alternative certificate to the parents/guardians or guardians of a student taking an alternate assessment. If you have any questions, contact your principal.

Modified Diploma

[OAR 581-022-2010](#) defines the requirements for awarding, and eligibility criteria for receiving a modified diploma. A school shall grant eligibility for a modified diploma to a student who has: 1—a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers inherent in the student or 2—a documented history of a medical condition that creates a barrier to achievement.

A student and the parent/guardian shall be informed about diploma options when the student is in the fifth grade, but the decision to work toward a modified diploma cannot be made until the end of the 6th grade and no later than 2 years before the student's anticipated exit from high school. The decision is made by the school team, which should include the student and **MUST** include a parent/guardian. When a student working toward a modified diploma completes the 8th grade, the school team must review the modified diploma information annually.

EQUAL EDUCATIONAL OPPORTUNITY

Equal educational opportunity and treatment shall be provided to all students. No student legally enrolled in the district shall, on the basis of age, disability, marital or parental status, national origin, race, religion, or sex be excluded from the participation in, be denied the benefits of, or subjected to discrimination under any educational program activity administered or authorized by the Board of Education.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

Under the McKinney-Vento Act, homeless children and youth are entitled to immediate public school enrollment, immediate access to the free meal program as well as other benefits. Homeless children and youth are defined as individuals who lack a fixed, regular, and adequate nighttime residence. It includes children and youth who:

- Are sharing the housing of other persons due to loss of housing, economic hardship or similar reason;
- Are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations;
- Are living in emergency or transitional shelters;
- Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodation for human beings.

If you wish to schedule a meeting to discuss your concerns, please contact the principal or the Assistant Superintendent of Teaching and Learning/Homeless Education Liaison at 541-535-7502.

PRIVATE SCHOOLING

Placement

While parents/guardians have the option of placing their children in a private school or obtaining additional services (such as tutoring) from a private individual or organization, the District is not obligated to cover resulting tuition or costs. The District will not pay for private services or tuition for any student unless required to do so by state or federal law. If a parent/guardian wishes for the District to consider a publicly funded private placement or private services, the parent/guardian must give the District notice and opportunity to propose other options available within the public school system before the private placement or services are obtained.

Therefore, for any regular education, 504, or IDEA student, a parent/guardian must give notice either at the last IEP or 504 meeting prior to obtaining private services, or in writing at least ten business days prior to obtaining private services. The notice must include the parent/guardian's intent to obtain private services, the parent/guardian's rejection of the educational program offered by the District, and the parent/guardian's request that the private services be funded by the District. Failure to provide notice may result in a denial of any subsequent reimbursement request.

Limitation on Services

Children who are enrolled by their parents/guardians in private schools may participate in publicly funded special education and related services. Federal law allows school districts to limit the amount they spend for these services. If your child is to receive special education services under this provision, the school district will meet with you to develop a service plan describing the services to be provided to your child. Services may be provided on-site at the private school or at a public school; the District must offer transportation for the child to access these services.

When Reimbursement Is Not Required

School districts are not required to pay for the cost of education, including special education related services, of a child with a disability at a private school facility if the school district made a free and appropriate public education available to the child and the parents/guardians chose instead to place the child in a private school facility.

When Reimbursement May Be Required

A court or hearing officer may require a school district to reimburse parents/guardians for the cost of private school placement made without the consent of or referral by the school district only if:

- The child received special education and related services under the authority of a public agency before enrolling in the private school; the court or hearing officer finds that at that time, the school district did not make a free appropriate public education available to the child in a timely manner; and
- Parent/guardian provided notice removing the child from public school.

For further information, call the Assistant Superintendent of Teaching and Learning/Homeless Education Liaison at 541-535-7502.

SPECIAL PROGRAMS

Due to the online nature of PTRAs, special education services are limited. Parents may inquire as to the availability of service for their identified special-needs student. In some cases, parents may need to choose to decline services in order to have their student participate in PTRAs.

All school employees are highly qualified. Students may receive assistance with language arts or math as appropriate. Students may be referred for an evaluation by staff or by parents/guardians. Parents/guardians are asked to give written permission for evaluation of the student's abilities and performance. If a student is eligible for services, an Individualized Education Program (IEP) will be developed by school staff and parents/guardians. Depending on available services, students will receive instruction and services that best meet their educational needs. For additional information, call your child's teacher or principal.

Services are available for students who are not proficient in English as a primary language

If you suspect that your child may have a disability, you may request a meeting with school staff to discuss the possibility of obtaining an evaluation to determine your child's eligibility under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. You may obtain additional information on both of these programs by contacting the District Special Education Director, the building principal, or the Oregon Department of Education.

If you wish to schedule a meeting to discuss your concerns, please contact the Principal of your child's school or the Director of Special Education at 541-535-7522.
