CHAMBERSBURG AREA SCHOOL DISTRICT
435 STANLEY AVENUE
CHAMBERSBURG, PA 17201-3605

DEAR MR. EDWARD PETERS:

As you know, The Bureau of Workers' Compensation (Bureau) conducted an on-site verification of information (audit) of **Chambersburg Area School District's** workplace safety committee on January 13, 2015. The purpose of this audit was to determine if the workplace safety committee met all of the requirements for certification for any period for which a 5% workers' compensation insurance premium discount was granted within the three-year period prior to the audit. The results of this audit are detailed in the enclosed report.

As a result of the audit, the Bureau has determined that the committee **did meet** all requirements for certification for the periods reviewed during the audit.

I would like to take this opportunity to thank you for your dedication to safety and for understanding the value of having a certified workplace safety committee within your organization.

Sincerely,

A handwritten signature in black ink that reads "Eric K. Hoffman". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
