Jodie Meyer:

- Wanted to go on record to state that she very much supports the budget that the district came up with and the work that went into it, however shortly after she voted YES at the meeting earlier this week she realized she couldn't support the budget without the addition of including the Diversity Inclusion Coordinator position being increased from a .6 position to a 1.0 position, which is why she asked about changing her vote, which necessitated a meeting in order to do so. Thanked everyone for coming together for this special meeting to allow for her re-vote, which needed to be done before Monday.
