### School Goals

Durham is dedicated to the delivery of inclusive, culturally specific instruction and our belief in the success of every student. We work collectively guided by data to meet the individual academic needs of our students and to provide the social and emotional supports that remove barriers to achievement. We foster strong systems of teacher collaboration and leverage our 1:1 technology to benefit every student.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

TTSD continuously evaluates and responds to the needs of our ever-changing world and specifically our student population. We hold an uncompromised commitment to the safety and well-being of our students and staff, and maintaining a safe, inclusive, respectful, and rigorous learning environment. Our goal is for all students to feel physically and emotionally safe and respected. We are led by Board policies dedicated to protecting all students, staff, and families from discrimination, bias, hate, and harassment.
