## COLDER WEATHER

As the colder months approach, we would like to emphasize the importance of outdoor recess. Recess plays a vital role in physical health, social interaction, and overall academic performance.

We understand concerns about the chilly weather, but it's essential for children to have the opportunity to enjoy outdoor playtime, even during colder days.

To ensure your child's comfort and safety, we kindly remind you to equip them with appropriate outerwear. Warm coats, hats, gloves, and sturdy footwear can make a significant difference in keeping them comfortable.

Please reach out with any questions.

## CONGRATULATIONS

WOW! I hope everyone was able to enjoy our 6th Grade production of William Shakespeare's "A Midsummer Night's Dream." Over the past several months, our students dedicated themselves to learning their lines and early morning practices. Witnessing their collaborative effort in creating this remarkable performance was truly amazing.

Thank you to the many wonderful parents who freely gave of their time to support our students. This endeavor hinges entirely on the dedication of our parent volunteers; without them, this wouldn't be achievable.

Many thanks to this year's directors, Josh & Eliza Stewart.
