

## Our Story

At Richardson Elementary School, we strive to create a safe, engaging, and welcoming community for all learners to grow academically, emotionally, and socially. We are an inclusive community with rich diversity, which we value and celebrate. We offer strong academic and culturally responsive instruction for students and a social-emotional curriculum that teaches students how to contribute positively within our school community and beyond. Students demonstrate their "Penguin Pride" values each day: Be Kind, Be Respectful and Be Responsible.
