

Our Story

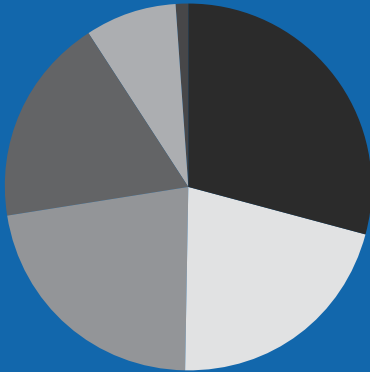

Our school community focuses on practicing CARES every day; cooperation, assertiveness, responsibility, equity, and self-control. We accomplish this work by dedicating focus to social-emotional learning, Culturally and Linguistically Responsive teaching, and focused literacy instruction for all students. Carver staff individualizes instruction and provides daily intervention or enrichment to students depending on their individual needs.

What makes Carver stand out the most is our hardworking and dedicated staff, who are committed to student success!
