Early College High School

Fredericksburg ECHS Recruitment Plan

Fredericksburg ISD Early College High School is committed to ensure that all applicable students are informed about this opportunity. Informational material will be distributed in English and Spanish in digital, paper, and in-person formats. The ECHS counselor will visit each middle school to promote FISD's ECHS. Fredericksburg Middle School (FMS) will host a parent/student informational meeting with FISD's ECHS leadership team and representatives from Northeast Lakeview College, our Institute for Higher Education (IHE) partner. A digital parent/student informational meeting will be sent out to parents who could not attend the in-person meeting, and support will be provided one evening at FMS to help with the application and answer any questions.
