Fredericksburg Early College High School Admissions Process

1. Both student and parent express a desire to pursue ECHS admission.
2. The ECHS administrator, counselor or teachers conduct an in-depth orientation for junior high parents and students for a complete understanding of ECHS. This orientation will cover the structure, goals, intent, and standard expectations of Fredericksburg ISD and Fredericksburg ECHS.
3. Student and parent/guardian will then complete the ECHS application answering designated questions and will submit it online.
4. Review of the ECHS application is done blindly with all identifying information hidden from the selection committee. The selection committee may consist of central administration, campus administration, counselors, and teachers of Fredericksburg Middle and High School campuses.
5. Complete applications that meet the selection criteria are placed in a weighted lottery pool, if needed based on the number of applicants, from which students are chosen by random drawing to become a member of a future ECHS cohort.
6. Selected applicants and their parents/guardians are notified by the Administration of the ECHS within two weeks following the lottery drawing.
7. Parents/guardians and students have two weeks to notify the Administration of the ECHS of their acceptance or rejection to become a member of the Early College High School.
8. If it becomes necessary, a second random lottery drawing will be held to fill vacancies to fulfill the TEA agreed upon maximum cohort size. Students from underrepresented groups will be placed at the top of the list (weighted lottery).
