INSTRUCTION

Homebound Instruction

- I. Home teachers are provided for children absent from school because of illness or accident provided:
 - A. Parents approve.
 - B. Physician recommends.
 - C. The need for home teaching is anticipated to be a minimum of two (2) continuous weeks.

- II. The process may be initiated by the parents or by the school by letter or phone call. Upon approval of the parents and the physician the school principal shall request the Assistant Superintendent of Curriculum to assign the Home Teacher. The Principal will notify the regular teacher so he/she may prepare books and materials and a summary of the student's abilities for the Home Teacher. The Principal shall provide a register for the Home Teacher and coordinate the transfer of the student to his/her charge.
