Dear Friends and Supporters,

We talk to prospective families about the potential that a Mother McAuley education holds - all of the opportunities students have to participate in more than 50+ clubs and organizations, 13 athletic programs, performing and visual arts courses and after school activities, and so much more; the leadership skills that are learned in the classroom and through their extracurriculars; the chance to discover and explore their passions. We point to the successes of the students who have come before them to show them - this can be you, too! And we know that it's true. We know that every young woman who walks through our doors as freshmen will come into their own throughout their four years at McAuley.

To meet the needs of our students and further help them reach that potential, we continue to invest in the expansion of resources and access to state-of-the-art facilities. As I reflect on the 2022-2023 school year, I am in awe of all that was accomplished to that end. Our new **turf field** provides a safe, well-maintained, professional space that elevates the level of competition that can be played by the student athletes who utilize it. Our newly remodeled **Sr. Brian Costello Learning Resource Center** is fully accessible and provides a welcoming space for our Learning Resource Program, tutoring, and more. Upgrades to the technology, including lighting and sound system in the auditorium, further ensure the safety of our students and enhance the capabilities of the space.

These accomplishments are possible because of the generous support of our McAuley community. All gifts to McAuley - annual, capital and scholarship - are votes of confidence not just in our school and our mission, but in the potential of our students. By supporting our school, you are supporting the education and development of the next generation of faith-led, empowered, empathic, and driven leaders.

We are committed to providing an exceptional educational experience rooted in the Mercy tradition to the young women of Chicago and the surrounding area. Because of you, our supporters; thoughtful strategic fiscal oversight; and our families who choose Mother McAuley for their daughters' education, we are in a strong position to continue our legacy of educational excellence for generations of Mighty Macs to come.

I personally wish to thank all of those who have supported our mission and our students over the past year, and who have partnered with us in providing the McAuley Lifetime Advantage to our remarkable young women. We are stronger together.

Go Mighty! Go Mercy! Go Macs!

Grant Update

Many private foundations supported us throughout the 2023 Fiscal Year. They responded to specific requests for financial assistance for scholarships, for increasing the success of our programming, and for the various projects targeted by our Senior Leadership Team to update our campus. Mentioned here are a few of the foundations that have partnered with us over many years.

SCHOLARSHIP ASSISTANCE

\$35,500 total

Our number one need continues to be scholarship assistance. During the 2022-2023 school year, we distributed just over \$1.5 million in financial aid. Of that amount, \$400,000 was received from external sources. Scholarship awards generally range from \$500 to \$2,500 per student. Some of the consistent scholarships are from long-established donors of McAuley. We are very grateful for the support given to our students.

The W.P. & H.B. White Foundation is a 20+ years partner of Mother McAuley aiding financially at-risk students, predominately from the inner city of Chicago and the south suburbs. Steve White, President of the White Foundation, takes a vital interest in the academic achievements of the recipients of the scholarship funds. The award for Fiscal Year 2023 was \$16,000.

The Owens Foundation has provided scholarship support to students from Chicago's inner city since the late 1990s. Several Owens women are McAuley alumnae (Julie '82, Sharon '88, and Katie '93). The support of the Owens Foundation is greatly appreciated and makes a significant difference to a family who struggles to make ends meet. The award for Fiscal Year 2023 was \$7,500 and assists five young students with scholarships of \$1,500 each.

The **Mazza Family Foundation** has supported many of our young women during the past eight years with scholarships of \$2,000 each. The Mazza Scholars are selected in their freshman year and the scholarship follows them throughout their four years at McAuley. We are grateful to the Mazza Board of Directors for their consistent support: Joseph Rubinelli, Joan Lavezzorio Schniedwind, Mary Jane Rubinelli, and Nicholas Lavezzorio. Our thanks to Mary Acker Klingenberg '75 who introduced us to these wonderful family members.

PROGRAM ASSISTANCE

\$85,000 total

Mercy Fund Ministry Grant Program, a long-standing supporter of Mercy Education made a generous donation to our Theology and Spirituality Program. They supported our ongoing project of providing our young women with an environment, rich in resources and events for transferring learning into actions identifying themselves as prophetic witnesses to the future. The grant award is \$40,000.

The Helen Brach Foundation is a faithful partner of Mother McAuley dating back many years. The Brach Board of Directors (with Matthew Simon as our go-between) has affirmed the value and ministry to the young women of Chicago by assisting us with numerous programs. This year's support went to our Performing Arts Program. Our newly renovated auditorium and backstage are ready for the 2023-24 schedule of performances. This year's award was \$25,000.

The Scholl Foundation is another long-time donor to Mercy Education. This year's grant award was directed to addressing the fitness needs of our students, faculty, and staff. Groups of students were introduced to yoga, healthy eating, and the need for regular exercise. Our staff were provided with techniques for handling the stresses of the day. This programming is a prelude to the future McAuley Fitness Center. The grant award was a generous \$20,000. Thanks to Pamela Scholl and her team.

FUTURE READY

\$40,000 total

The Fred J. Brunner Foundation has continuously granted us funds to improve and update the campus. The Board of Directors awarded an important grant targeting the demolition and preparation of our future STEM Lab. We are grateful to the Brunner Foundation for moving forward with the creation of this pressing need of the Science Department. This year's grant award was \$30,000.

The A. Montgomery Ward Foundation has once again granted an award for our programming. This year's award was directed to the demolition and preparation of our future STEM Lab. We are honored to have them consider us. The grant award was \$10,000. We look forward to providing them with an update on our progress.

SOME OF THE SIGNIFICANT ELEMENTS OF MOTHER MCAULEY'S FINANCIAL STATUS ARE:

- Utilizing a comprehensive budgeting process, we annually review operational costs to remain effective and efficient.
- Future planning allows us to meet our commitment to the policy of funding depreciation for the future replacement of assets through the established Funded Depreciation Account.
- Each year, our financial report is audited by an independent auditing firm.
- Our Board of Trustees had designated and restricted certain net assets for long-term needs.
- Financial stability is a core tenet of our decision-making ensuring that appropriate fund balances are maintained to provide the “lifetime advantage of a Mercy education” at McAuley.
- Donors and supporters invest with their annual financial support to offset continued increases in operational costs as well as scholarship and financial aid applications.

McAuley Hall of Honor 2023

Thanks to the overwhelming support of our McAuley Hall of Honor sponsors and donors. With your financial assistance, McAuley is able to provide our students a foundation to achieve excellence, much like the six women whom we honored at the McAuley Hall of Honor. A true testament to the McAuley spirit that remains mighty throughout the years.

Thank you to our sponsors who generously supported the 2023 McAuley Hall of Honor.

Honor Roll of Donors 2022 - 2023

Throughout its history, Mother McAuley has honored its founding commitment to providing a liberal arts, college-preparatory Catholic education – steeped in the Mercy tradition – to young women, regardless of financial ability to pay full tuition. Between July 1, 2022 and June 30, 2023, thanks to the generosity of donors, 53 percent of students received financial assistance. We are grateful to the alumnae, parents and friends who have generously established or contributed to endowed and annual scholarship funds, ensuring that all young women benefit from the *Lifetime Advantage* of a McAuley education.

Every effort has been made to ensure that this report is accurate and complete. If an error has been made, please accept our apologies and notify the Institutional Advancement Office at (773) 881-6559.

Planned Giving

We encourage you to think about joining the many loyal supporters of Mother McAuley who have become members of the Catherine McAuley Legacy Society by naming our school as part of your estate planning. In planning ahead you demonstrate your commitment that Mother McAuley's future Mighty Macs will have the same high-quality education others had.

Your planned gift is personal and unique depending upon your circumstances. Our Institutional Advancement team would be pleased to meet with you to discuss how Mother McAuley could fit within your estate plan.

PLAN IN THE PRESENT . . . INVEST LATER

BEQUESTS - Name Mother McAuley as a beneficiary for a monetary amount or percentage of your estate. These gifts plan for the long-term future success of our school.

RETIREMENT PLAN ASSETS - Mother McAuley can be named as a beneficiary of all or a portion of your retirement plan assets.

LIFE INSURANCE POLICIES - By donating some or all of your life insurance policies to a nonprofit, 100% will pass tax free.

INVESTING NOW

Consider a transfer of long-term appreciated stock to receive a charitable deduction for the full market value of the securities and avoid paying capital gains taxes.

If you are over the age of 70 1/2, you can donate any amount up to \$100,000 to qualified nonprofit organizations, like Mother McAuley, without paying income tax.

Our organization is not qualified to provide specific legal, tax, or investment advice, and this page should not be looked to or relied upon as a source for such advice. Consult with your own legal and financial advisor(s) before making any gift.

*"A community in which
this universal charity reigns,
is capable of surmounting
all difficulties."*

- CATHERINE MCAULEY

Almost everyone has the
ability to make a planned gift.
Gifts of ALL sizes make an
impact at McAuley.

“No work of charity can be more
productive of good to society than the
careful instruction of women.”

- CATHERINE MCAULEY

Mother McAuley Liberal Arts High School is a Catholic educational community committed to providing a quality college preparatory education for young women. In the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, we prepare students to live in a complex, dynamic society by teaching them to think critically, communicate effectively, respond compassionately to the needs of their community and assume roles of Christian leadership. In partnership with parents, we empower young women to acknowledge their giftedness and to make decisions with a well-developed moral conscience. We foster an appreciation of the diversity of the global community and a quest for knowledge and excellence as lifelong goals.
