

Joy of Giving

IMPACT REPORT + 2022-2023 SCHOOL YEAR

Because of generous partnerships, Incarnate Word Academy (IWA) continues to deliver excellence in Catholic education—turning possibilities into realities. Distinction in academics, athletics, faith formation, community service, and extracurricular activities is strengthened by our donors. This year, gifts from Alumni, Parents, Grandparents, Friends, Community Partners, and Private Foundations reached an amazing...

\$2,374,330
in total donations.

INCARNATE WORD ACADEMY

Donors Help Bring Football to IWA!

In the Spring of 2022, IWA announced the launch of a 6-man football program funded completely through philanthropic giving. With that initiative, the Goals and Dreams Campaign contributions increased to meet the needs of the athletic programs and ensure success when we played our first official season football game in the Fall of 2023. Weight room upgrades, bleachers at the field, and a new scoreboard were key accomplishments, all while successfully maintaining our existing sports programs.

“Thank you for donating to my education. I hope one day I can send that blessing forward with the tools I gained from IWA and college.”

President and CEO

Robin Ritchey-Roy
Executive Director of Advancement
and Marketing

We all agree, 2022-2023 was an amazing year. Safety and security of our students was top of mind and we implemented an employee badging system and added a second security officer.

Our donor partners also helped us expand access to Incarnate Word Academy, with nearly 40% of our students benefiting from need-based tuition assistance. And as always, our Booster Club and PTOs continued to support the school in very impactful ways, including technology upgrades and a new ice machine for the athletic training room.

We are so grateful for all you do to help our Angels soar. Thank you for contributing to another year of excellence at IWA.
