ATTENDANCE

Duty to provide public school accommodations

The Board of Education shall provide school accommodations for all residents within the school district who are five years of age and older and under twenty-one years of age who have not graduated from a high school or vocational school, except as provided by the laws pertaining to student suspension and expulsion. Special education will be provided for children age three to five experiencing a developmental delay that causes such child to require special education.

A student enrolling in school who is nineteen years of age or older and can not acquire a sufficient number of credits for graduation by age twenty-one may be placed in an alternative school program or other suitable educational program.

Attendance required

The parent or other person having control of a child five years of age and over and under eighteen years of age shall cause such child to attend a public school regularly during the hours and terms the public school is in session, unless such child is a high school graduate or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools.

The parent or person having control of a child five years of age shall have the option of not sending the child to school until the child is six years of age and the parent or person having control of a child six years of age shall have the option of not sending the child to school until the child is seven years of age. This option may be exercised by personally appearing at the school district office and signing an option form; the school district shall provide that parent or person with information on the educational opportunities available within the school system. (Appendix A)

Entrance Age

The minimum age for admission of any child to kindergarten shall be five years on or before the first day of ~~January~~ **September** of the school year in which admission is made. ~~A child not less than five years old who has satisfactorily completed a year in a kindergarten which provides instruction equivalent to that of the elementary school may be enrolled in first grade.~~ ***Any child who has not reached the age of five on or before the first day of September of the school year may be admitted 1) upon the written request to the school principal by the parent or guardian of the child, and 2) following an assessment of the child, conducted by the school principal and/or an appropriate certified staff member, to ensure that admitting such child is developmentally appropriate, in accordance with such standards/assessment(s) that may be implemented by the Superintendent and consistent with applicable state requirements.***

Option to withdraw from enrollment at age ~~17~~¹⁸

The parent or person having control of a child ~~seventeen~~ **eighteen** years of age may consent to such child's withdrawal from school.

Such parent or person shall personally appear at the school district office and sign a withdrawal form. (Appendix B) The withdrawal form shall include an attestation from a guidance counselor
