### ATTENTION PRESCHOOL PARENTS

#### MANDATORY INFLUENZA (FLU) VACCINE

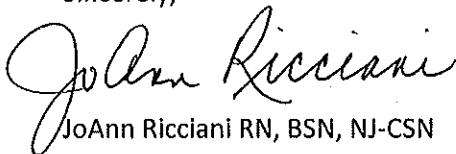

This is to inform you that the New Jersey Department of Health (NJDOH) mandates that all children 6 through 59 months of age attending any licensed child care center or preschool facility must receive at least one dose of influenza (flu) vaccine between September 1 and December 31 of each year (N.J.A.C. 8:57-4.19).

\*Students who have not received the flu vaccine by December 31 **MUST be excluded from school** for the duration of influenza season (through March 31), until they receive at least one dose of the flu vaccine or until they turn 60 months of age (5 years old).

\*Valid medical and religious exemptions are acceptable. Students who have valid medical and religious exemptions are allowed to remain in school.

The school will be required to have proof that your child has received this vaccine by December 31. Please feel free to call me with any questions.

Sincerely,

  
JoAnn Ricciani RN, BSN, NJ-CSN

609-723-2479 extension 106
