**Extracurricular Activities-Academic Criteria**

The Cambrian District Board of Trustees supports student involvement in extracurricular activities and encourages a variety of such activities in the schools. In addition, the Board supports the idea that students should earn the privilege to participate in these extracurricular activities.

The Board directs the schools to review the records of students wishing to participate in extracurricular activities. Participation will be open to those students who maintain good citizenship and have a grade point average of no less than 2.0 on a scale of 4.0.
