INSTRUCTION

Curriculum Guides and Scope and Sequence Outlines

- I. Curriculum guides, courses of study and monographs shall be prepared in harmony with the legal requirements of the state and the purposes of the program of instruction adopted by the Board.
- II. The Superintendent or designee shall have general coordinating authority and oversight over the formation of all courses of study, curriculum guides and monographs.
- III. Curriculum development is based on the assumption that such effort is most productive when conducted as a cooperative enterprise in which teachers, administrators, students and parents participate appropriately.
