BYLAWS OF THE BOARD

School Board Membership

- I. School Board membership in recognized associations such as the California School Boards Association, the Santa Clara County School Boards Association, and the Association of California School Administrators will be maintained by the Board for several reasons, including:
 - a. The in-service education benefits to the Board and staff which come from participation in meetings, conferences, clinics and conventions.
 - b. Access to the communication media of such associations, such as newsletters, periodicals and advisory services.
 - c. Representation in actions affecting education in general and our District in particular.
- II. The Board in maintaining such membership in no way abdicates its authority over the responsibility for the schools of the District as outlined in State law and Board policy.
- III. The Superintendent shall budget funds for such memberships, and for paying the costs of adequate participation of the governing board, administration and staff in the activities of such associations to achieve the purposes listed above.
