II. Newly Created Positions

Such written determination shall include a description of the newly created position's duties and, based upon that description, a statement of the extent of disclosure requirements. The district's determination is a public record and shall be retained for public inspection in the same manner and location as the conflict of interest code.

When the district has a newly created position that must file statements of economic interests, the district shall contact the County of Santa Clara Clerk of the Board of Supervisors Form 700 division to notify it of the new position title that is to be added in the County's electronic Form 700 record management system, known as eDisclosure. Upon this notification, the Clerk's office shall enter the actual position title of the newly created position into eDisclosure and the district shall ensure that the name of any individual(s) holding the newly created position is entered under that position title in eDisclosure.

Additionally, within 90 days of the creation of a newly created position that must file statements of economic interests, the district shall update this conflict of interest code to add the actual position title in its list of designated positions, and submit the amended conflict of interest code to the County of Santa Clara Office of the County Counsel for code-reviewing body approval by the County Board of Supervisors.
