

A simple, affordable way to get quality home Internet.

Mediacom's Connect 2 Compete program is an affordable way to get access to high-quality home Internet service.

Mediacom strives to close the "digital divide" so that every household we serve has access to superior Internet service. And when you have reliable Internet service in your home you hold the key to a successful learning experience for your children. That's why we participate with the national non-profit program **EveryoneOn** with the goal of providing every home access to affordable, reliable Internet service so students can participate in a digital curriculum and extend the online learning experience from school to home.

YOUR HOUSEHOLD MAY QUALIFY IF:

1. Mediacom offers Internet service in your community or area
2. You have at least one student in grades K-12 living at home
3. At least one child qualifies for free or reduced-price school lunch through the National School Lunch Program (NSLP)
4. You are not a current Mediacom Internet customer and have NOT subscribed to our Internet service in the past 90 days
5. You do not have an outstanding Mediacom bill or unreturned equipment**

To learn more about the Connect 2 Compete program, visit **www.mediacomc2c.com** or call **855-904-2225**.

*Connect2Compete Program (C2C Program) is available in Mediacom residential service areas to households that meet all eligibility criteria. The National School Lunch Program (NSLP) is administered by the Food and Nutrition Service of the United States Department of Agriculture and state agencies which operate the program through agreements with school food authorities; please contact your school for more information about eligibility for the NSLP. C2C Program price of \$9.95/month (plus tax) applies so long as the eligibility criteria are met; if C2C Program participant no longer meets the eligibility criteria, the then-standard rates for the Internet service and equipment shall apply. The service includes Internet service with download speeds up to 25 Mbps and one WiFi modem. Modem remains the property of Mediacom and must be returned upon termination of service to avoid charges. Mediacom Connect2Compete is a residential Internet service intended for educational use. Users of Mediacom's internet service must comply with Mediacom's Residential Customer and User Agreement and Acceptable Use Policy. C2C Program is not a school program and is not endorsed or required by your school. Your school is not responsible for Connect2Compete Program accounts. No school funds were used for this notice or website. Call 1-855-904-2225 for more details or to visit with a Mediacom Connect2Compete representative. Offer, prices and eligibility criteria may change from time to time.

** Families with an outstanding bill or unreturned equipment can discuss payment options with Mediacom customer support representatives to determine how a resolution can be met. Call 1-855-904-2225 for more details.
