

Tech Support

Here are a few steps that you can try at home to help with technology issues.

- Do a hard restart by holding the power and home buttons until you see the apple logo
- Authenticate
- Close all apps
- Clear the history in Safari
- Close all tabs in Safari
- Log out of Canvas and then log back in
- If the Canvas website isn't working, try using the Canvas app
- If the Canvas app isn't working, try using the Canvas website:
