

2023-2024 Continuous Improvement Plan

Munford High School

Vision

To provide an engaging, rigorous curriculum, empowering all students to be college, career, and life ready.

Mission

To create a positive environment that celebrates all students' achievements and promotes high academic standards.

Beliefs

Our belief is that all students will be challenged to achieve their highest potential and that education is the shared responsibility of the student, staff, parents, and community partnerships.

Equitable Learning

- #### Objectives
- Provide more active, personalized learning opportunities to support college and career readiness.

- #### Critical Initiatives
- Provide opportunities for growth using professional development for personalized learning.
 - Implement specific content strategies to increase student engagement and achievement.
 - Students and faculty set individual goals, track progress, and make needed adjustments.

- #### Key Measures
- PLC agendas that include personalized learning.

Authentic Instruction

- #### Objectives
- Promote a high level of authentic engagement and inquiry and opportunities for real-world applications.

- #### Critical Initiatives
- Provide adequate professional development for engaging learners in rigorous coursework, discussions, and/or tasks that require the use of higher-order thinking in all content areas.
 - Provide opportunities to make real-world connections to the content via Project-Based Learning, STEM, and Small Group Instruction.
 - Invest in personnel, curriculum, materials, and supplies aligned with instructional practices specific to content areas.

- #### Key Measures
- Steam/ PLC Agendas and Sign In Sheets

Digital Learning

- #### Objectives
- Empower students and teachers to leverage technology in a way that fosters a strong digital environment.

- #### Critical Initiatives
- Provide adequate professional learning opportunities for appropriate training on technology resources using budgeted Title I funds.
 - Utilize technology to create original works for learning as well as to improve communication and culture within the school and community.
 - Invest in technology and technological resources that will support learners, increase engagement, and enhance learning experiences for students.

- #### Key Measures
- Utilize the Instructional Coach in coaching cycle

Key Measures
