- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards. We will facilitate positive communication between students and faculty, teach the necessary skills and concepts to students, provide relative assignments, integrate special, hands-on activities to make learning enjoyable, and foster a positive and safe learning environment.
- Hold parent-teacher conferences as needed during which this compact will be discussed as it relates to the individual child's achievement. Virtual parent-teacher conferences are also accessible by utilizing Zoom and/or Google Meet.
- Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports every four weeks in the form of progress reports and every nine weeks in the form of a report card.
- Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents through phone calls, E-mail, and written notes or letters sent home with the student.
- Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities.
- Ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. All flyers and announcements will be made available in the applicable language. Parents may also contact the school as needed and, if necessary, a translator will be provided.
