What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs.
- Being a Title I school also means parent and family involvement and knowing their rights under ESSA.
- FHS Title I Funds - \$131,882.15

2022-2023 Title I Budget

\$131,882.15

- These monies will be spent to pay part of the Technology Integration Teacher's salary, part of the Reading Coach's salary, and the Contracted Interventionists' salaries. The monies will provide substitutes for professional development and data meetings, stipends for professional development, license fees for web-based programs, parent involvement materials and supplies, instructional materials and supplies, and copier supplies and maintenance.

What is the 1% set-aside and how are parents involved?

- Any LEA with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the LEA. Therefore each Title I school receives its portion of the 90% to implement school-level parent and family engagement with clear expectations and objectives for meaningful involvement.
- You, as Title I parents, have the right to be involved in how this money is spent.

What is the 1% set-aside and how are parents involved?

- Talladega County has an LEA Advisory Committee made up of parents, community stakeholders, and teachers that decide how the money is spent at the LEA level.
- Fayetteville School has an Instructional Leadership Team made up of parents, community stakeholders, teachers, and students that decide how the money is to be spent at the school level.
