

**2021 Internal Connections Equipment  
Internal Connections Installation Mini-Quote Request for Pricing  
March 10, 2020  
Based on ALJP Contract**

**VENDORS MUST CONTACT JOSEPH TURNER AT [joseph.turner@tcboe.org](mailto:joseph.turner@tcboe.org) IF YOU HAVE QUESTIONS ABOUT THIS REQUEST.**

**DUE DATE: Wednesday, March 24, 2021 no later than 8:30am**

**Delivery:** Proposals must be submitted via email to [joseph.turner@tcboe.org](mailto:joseph.turner@tcboe.org). Included in the email should be product/services quote and a completed USAC Category Two Internal Connections (Item 21) template.

**Description:** This Request for Proposal (RFP) by the Talladega County School District is seeking quotes from qualified ALJP vendors to provide removal and installation of wireless access points as listed below. We will be seeking E-rate funds for this project. Acceptance of this mini-quote is contingent on funding by E-rate and available local matching funds.

**Term:** Talladega County Schools reserves the right to accept and/or deny any or all items on the proposal at the unit price submitted. All prices submitted on the bid are to be "delivered prices" and shall be inclusive of all charges, and fees, and shall not include any state or local tax. Vendors may submit equipment with newer models if the requested model(s) is no longer available or has been replaced, please note all substituted items in the response.

**Pricing:** Vendors must use their ALJP bid as the basis for this quote. Pricing may be lower, but Talladega County Schools must be able to demonstrate to USAC that the prices submitted here clearly tie back to the vendor's ALJP bid award.

**Funds:** Talladega County Schools (TCBOE) is relying on E-rate funding for the services requested. Any agreement between TCBOE and the selected vendor will be contingent upon the availability of these funds as well as local matching funds. Upon signed agreement and completion of project vendor will bill TCBOE for the TCBOE portion of the project and utilize SPI Form 474 for the remaining funds from USAC.

**Evaluation Criteria:** The provider will be selected based on the most cost effective solution based on the following criteria:

Total Price for ERATE Eligible Services	40%
Specifications, Features, Product Quality, Compatibility with Existing Configurations	20%
Ability to provide compatible services	20%
Warranty/Maintenance/Support Features	10%
References/Prior Experience	10%

**Evaluation:** Use of trade names and numbers shall be interpreted as establishing a standard of quality and shall not be construed as limiting competition since equivalent equipment may be considered. Any exceptions in specifications requested must be noted and supporting literature must be provided for evaluation. If literature is not enclosed with the bid package, the bid may be rejected.
