PRESENTATIONS ***Pres.***

Mr. Luick

Mr. Luick – "We have a number of presentations this evening. The first one is for a high school bowler. I won't mention the specifics, but I will ask the coach and Mrs. Kathy Shearman to please join me."

Bowling Coach

Coach - This presentation is to Ray Cherboni. He is the first bowler in Lakewood history to ever bowl a 300. Once significant thing about this is the boy's bowling team bowled 1,530 games this year. And I just spoke to Mr. Cradddox and he told me he's been around for 28 years and the bowling team has been around at least that long. So if you just figure 30 years times 1,500 that is 45,000 games were bowled by boys' bowlers and Ray is the first to do this."

Mr. Luick

Mr. Luick – "Congratulations on perfection. We have two more groups coming up. I would like to ask Mrs. Andersen and Mr. Bailey to join me. They have a special place in my heart. Both of them are math related. Mrs. Andersen will talk a little bit about them."

Mrs. Andersen

Mrs. Andersen – "We're here to recognize a special group of students today. If you look behind you at the projects on the table. They created projects to recognize PI Day. There are poems, stories, posters and actually a little quiz show back there where you lift the pieces off the Velcro and it asks questions about PI Day. It's a way for them to remember Pi Day and us too. So we'll recognize them first.

Pres. Cont.

I should add about all of those students. They excel not only in their math poster projects, but these are young scholars. They do well in all of their classes. You'll see them in

band, extra curricular activities. They are really our future so let's give them another hand. We are now going to recognize three additional students. In their math classes they designed posters to inspire the students in school to do well on the HSPA. These are the winners:

Monica Cleven
Adebola Adesina
Valerie Guzman

We thank you all."

Mr. Luick – "Mrs. Andersen and Mr. Bailey, thank you." ***Mr. Luick***

Mr. Inzelbuch – "Please don't leave yet, we have some good news to announce. As you are aware, there are some issues that have been raised as to Sodexho. Mr. Sodexho can you march in our Sodexho employees and let's have a hand for Sodexho. If we could have them all come in please right in front. These are the dedicated people who clean our buildings, morning, afternoon, evening and some more. If you look outside tonight, on March 5, 2008 Sodexho wrote me a letter on behalf of the Board. They will be providing a van, custodial supplies and will supplement the current supply of floor equipment every day. There is a van that will go to a different building every day at no additional charge to the District. In addition, Sodexho will supply replacement where necessary if any of these fine people get sick or take vacation time. They will automatically fill those positions at no additional cost. Lastly, they will provide a team of floor technicians who will address nightly project floor care work in the District. The District is holding Sodexho accountable. The District is listening to your concerns." ***Mr. Inzelbuch***

Steve Gaeta from Sodexho introduced the teams for custodial, grounds and maintenance.

Mr. Gaeta from Sodexho presented Mr. Craddox, Athletic Director with a check

for $1,000 to help defray the costs of the materials for the softball and baseball fields.

Mr. Craddox – "I would like to thank Sodexho for going above and beyond when times are tough. We really appreciate it because we did not solicit it. You knew the problem was there and you knew we needed it and you did it for the kids and we thank you."

EXECUTIVE SESSION ***Ex. Ses.***

Mr. Ostreicher – "Mr. President, I'd like to make a motion to go into executive session since there are some emergent topics that we have to discuss regarding financial matters and otherwise."

Mrs. Gonzalez seconded the motion.
