Tuesday, March 12 (available in Spanish)	5:30 p.m.
Thursday, March 14	9:00 a.m.

What is IB?

In an IB Primary Years Programme (PYP) students:

- Take responsibility for their own learning.
- Ask challenging questions, think critically and learn skills across all subject areas.
- Are active in their communities and take their learning beyond the classroom.
- Think globally, and develop respect for all cultures.
- Learn another language. Conklin includes a Spanish component for all students and continue with its Spanish speaking (TBE) classrooms.
