FinalForms is how we sign up for all athletic activities at Tyee. Instructions for signing up:
<https://tyee.highlineschools.org/student-life/athletics/registration>

Students and families can sign up on Finalforms which is accessed through both the students g.highlineschools.org account and through the email linked to ParentVue.

Both accounts need to be accessed as the paperwork for the student is different than the paperwork for the parent/guardian.

If you need help signing up or have questions about practices and transportation, please contact:

Hello Tyee Families,

I hope everyone is doing well.

I want to share some exciting news with you before we depart for Winter Break on some work our school community is focusing on this year.

Highline's new strategic plan has goals to provide innovative learning and ensure students are ready for the future. We are preparing students for a world that is very different from the one we entered as young adults. Think about how much change there has been in the ways we work, communicate, and access information. If we are going to truly prepare our students for their future, schools also need to evolve.

This fall, we interviewed students to share their perspectives about what high school could and should be so that all students are successful. Themes that emerged from these interviews are:

- ◆ **More real-life experiences**
- ◆ **More curriculum reflective of who they are**
- ◆ **A variety of course offerings**

Now families will have an opportunity to provide more feedback. Either through the survey that we will be sending out, or in January when we will be meeting with interested families in person. Please be on the lookout for this.

We will share the ideas generated with the school community early this spring. We plan to pilot some ideas this spring and next school year, with a goal of implementing changes school-wide in fall 2025.

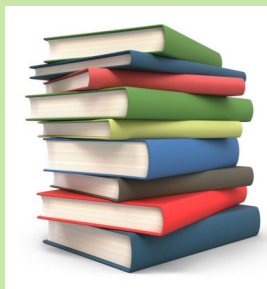

I am really excited about this opportunity and look forward to collaborating to create a school experience that prepares our students for the future they choose.

More information will be coming in the next several weeks and months. Please reach out to me if you have questions.

Have a wonderful break!!!

After-school Homework Center

The library is open for ALL students most Tuesdays and Thursdays after school from 2:45–3:45pm. Students can come in to get additional help from teachers/staff on homework, study for tests, or just use the quiet space to work.

Students can take the activity bus home at 4:30pm after the HW Center closes. If you have any questions, please reach out to Kris McBride, Success Dean, at kris.mcbride@highlineschools.org.

Register Youth ORCA cards by December 31, 2023!

As a reminder, youth 18 and younger ride transit for free. For riders 13 and older, using a Youth ORCA card (also known as a Free Youth Transit Pass) is highly encouraged, but not required. Tapping a Youth ORCA card allows transit agencies to better understand how many young people are riding transit, including where and when.

Youth who have a Youth ORCA card: To ensure that their card provides free fare until they turn 19 years old and does not expire sooner, all cardholders should register their card at [FreeYouthTransitPass.com](https://www.freeyouthtransitpass.com) by **December 31, 2023**. This 2-minute process requires only an email address or phone number, Youth ORCA card number, and birthdate.

Youth who need a Youth ORCA card: Youth aged 13 and older are encouraged to order a free Youth ORCA card by visiting <https://www.myorca.com/buy-online/> (the card will automatically be registered when ordered).

For more information please visit [Free-YouthTransitPass.com](https://www.freeyouthtransitpass.com).

AROUND CAMPUS

(Top right), the door to the art classroom. On teacher-student swap day during Spirit Week, Ms. Sheffield (top left) fooled a lot of people. Mr. Blesener and student also did a swap (lower right).

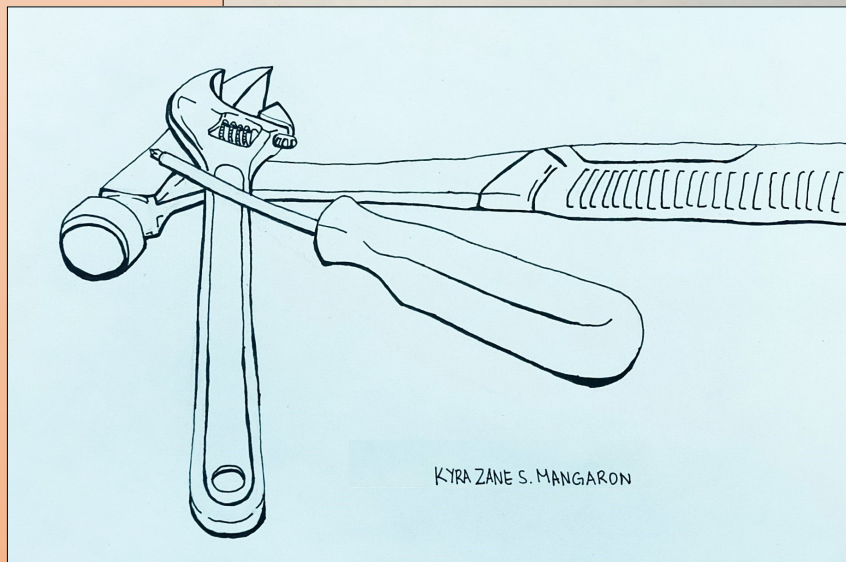

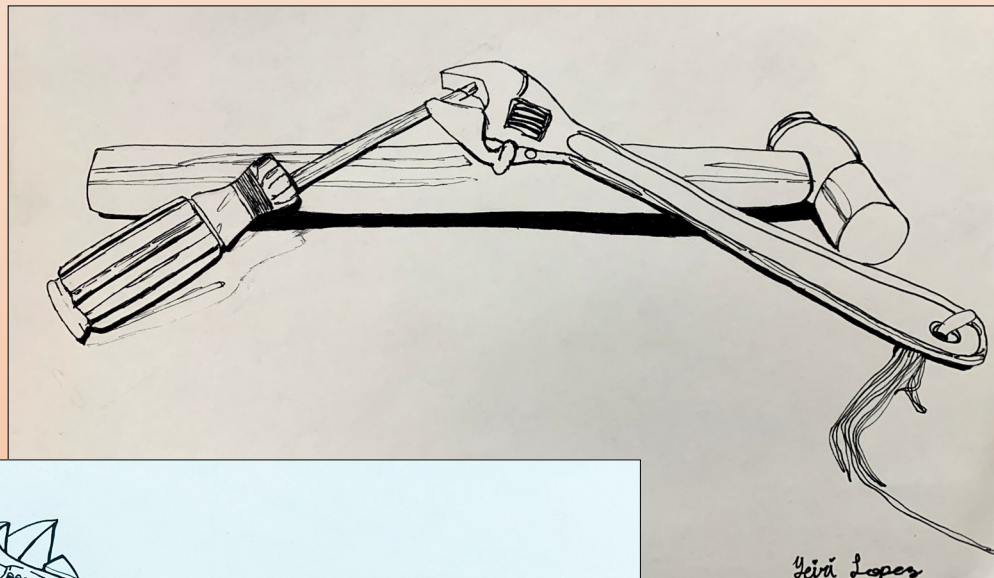

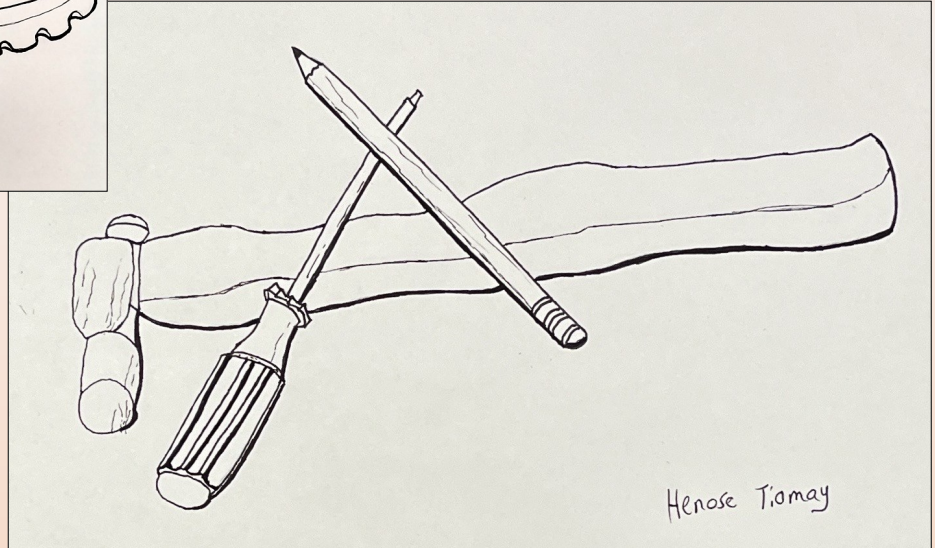

(Left) Victor Sosa Gonzalez wrestled in a match on Thursday, 12/7/2023 at Highline HS. The other student was from Lindbergh HS.

VISUAL ART

Visual Art students completed Modified Contour Line drawings of tools or shoes, with the goal of showing multiple line weight variety, accurate perspective and proportions.
