2024-25 Wiseburn Preschool
Enrichment Program

January 2, 2024

Dear Prospective Parents/Guardians:

The Wiseburn Unified School District operates a Preschool Enrichment Program for “Preschool” children ages 3-5. A web-based student application system (<https://wiseburn.schoolmint.net>) is available to assist with enrollment, tracking of open seats, and wait list priorities. The Wiseburn Preschool Enrichment Program is not a required district program and is a separate fee-based parent funded program offered on a Wiseburn campus.

For the 2024-25 school year, admission priorities will be as follows:

Priority will be given to Full Time Students over Part Time Students for each of the below groups. Other criteria considered for priority enrollment are the following (ranked in order of priority):

1. Families of students currently enrolled in the Wiseburn Preschool
2. Wiseburn residents new to the preschool program
3. Non-residents

Registration opens January 15th, 2024.

March 1, 2024 notification of enrollment will start being disseminated to families.

TK & Kindergarten Program

Enrollment in the Wiseburn Preschool Enrichment Program **does not** automatically secure a space in the district’s **Transitional Kindergarten/Kindergarten** program. Parents with students currently enrolled in the Wiseburn Preschool Enrichment Program **who will transition their student to the Transitional Kindergarten/Kindergarten**, need to enroll their student through the Wiseburn Unified School District application portal at (<https://wiseburn.schoolmint.net>).

Mark your calendars to ensure that you are accessing the web-based portal (<https://wiseburn.schoolmint.net>) during these important enrollment windows.

Sincerely,

Karen Chapkhaneh
