

Board Standing Committees
[ISBA Code: 1450]

Standing committees may be appointed by the Board President in the areas of finance, curriculum, new construction, policy, or other areas. These committees will be appointed annually at the Board reorganizational meeting. Board members serving on such committees shall function as liaison persons between the Board and the staff and will make recommendations to the Board as a whole relative to their areas of study.

Board Adopted: October 9, 2023
