

### Attendance

It is the policy of the Board that each student enrolled in the Lafayette School Corporation shall attend school on all days scheduled, and that good attendance by students is necessary in order to insure that a student receives the maximum benefits to be realized from his/her education.

The Board believes that parents or guardians are ultimately responsible for attendance of their children in school. While correction of absenteeism and/or tardiness problems is the responsibility of the parents or legal guardian, the school shall assist in the solution of these problems by taking steps as set forth in the student handbook.
