

## Student Desks

All desks made available for student use on the school premises are the property of the school corporation. The desks are made available for student use for storing school supplies and personal items necessary for use at school. The desks are not to be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rules. A student may not expect to have privacy in a desk or its contents.

At the direction of the Superintendent, or his designee, the Administration may make use of dogs, law enforcement officials, or appropriate technologies to inspect school premises, including student desks.

The student's use of the desk does not diminish the school corporation's ownership or control of that desk. The school corporation retains the right to inspect the desk and its content to ensure that the desk is being used in accordance with its intended purpose, and to eliminate fire and other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials, and to prevent use of the desk to store prohibited or dangerous materials such as weapons, illegal drugs, paraphernalia, or alcohol.
