

Use of Jefferson High School Training Room and Equipment

The Lafayette School Corporation Board of Trustees supports the concept of providing training facilities at Jefferson High School for official LSC student and staff participants in physical education and interscholastic athletic events which take place within the schools of the LSC Corporation; and for visiting team members who request use of the facilities in preparation for or as a result of engaging in competition with LSC schools or as participants in IHSAA tournaments or other competition officially sponsored by the Lafayette School Corporation. The Superintendent is charged with the responsibility of developing procedures which govern the safe and appropriate use of training facilities and equipment and which conform to existing insurance carrier requirements.

Board Adopted: December 10, 1979
Revised: May 8, 2006
