

Policy on Teacher Observation, Field Experience, and Student Teaching

The Board of School Trustees supports the concept of a strong cooperative relationship between the Lafayette School Corporation and the universities in the State of Indiana which are charged with the preparation of professional educators to work in the public schools. The Superintendent is charged with developing procedures which ensure a cooperative working relationship between the Lafayette School Corporation and universities wishing to place early field experience participants and student teachers.

Board Adopted: January 14, 1980
Revised: June 9, 2003; June 9, 2008
