FJones Consulting and Team, LLC

The Evaluation Committee gave this firm perfect scores in both Management and Technical areas.

IEP Coaching, LLC

This firm did not address review of teacher PLAAFP's and goals or how they would provide feedback to teachers to support future growth. They did not address specific interventions to address areas of weakness or consultation and coaching support. Also, they did not provide evidence of the provision of resources, support and collaboration with administrators. There was also no evidence to show support to Child Study Teach members with high quality IEP writing and IEP compliance or accommodations and modifications. In the Management area there was no data provided to ensure their PD is effective and useful. There is also no evidence of their experience with Special Education NJ code, rules and regulations nor did they provide evidence of providing services to other public schools in NJ. Overall Technical and Management was very lacking.

Tree of Knowledge

TOK scored a perfect 40 points in the Technical Criteria but was lacking in the area of Management. They did not address the measures they have in place to ensure that their Professional Development is effective and useful. They also did not show evidence that they have experience with Special Education NJ code, rules and regulations. Lastly, TOK did not show evidence of providing these services to other school districts for a minimum of at least 3 years.

The Evaluation Committee recommends the award of **CC 08-2122** to **FJones Consulting and Team, LLC** with a total score of **89.7 points**, as their proposal was most advantageous to the district, price and other factors considered.
