NONPUBLIC SCHOOL SECURITY GUARD SERVICES

A. PURPOSE

The Lakewood Board of Education seeks from New Jersey licensed security companies, competitive proposals and pricing to provide to the nonpublic schools located in Lakewood, NJ, armed and unarmed security officers, services to be funded by the Nonpublic Security State Aid. The security officers shall be licensed as pursuant to the Security Officer Registration Act (N.J.S.A. 45:19A-2 et seq.) and the corresponding New Jersey Administrative Code 13:55A-1 et seq. The overriding purpose of this proposal is to provide a safe and secure environment for the students and staff members of the nonpublic schools located in Lakewood, pursuant to the New Jersey Nonpublic Security Program Law-N.J.S.A. 18A:58-37.8 et seq., and the corresponding New Jersey Administrative Code 6A:16-5.1.

B. BACKGROUND OF LAKEWOOD PUBLIC SCHOOLS

The Lakewood Community receiving the Non-Public School Security Program Funds consists of one hundred fifteen (115) private schools which are religious institutions. The religious aspect of the schools are an important factor when providing services for them as 98% of the schools are separated by gender creating a unique target audience for each school. In addition, due to the religious nature, a strict dress code is adhered to for any service provider who is to provide services in the non-public schools.

C. SCOPE OF SERVICES

Hours of Service; Operation Times; Duty Shift

This contract is for the procurement of security officer services for the nonpublic schools of Lakewood, NJ. At present there are one hundred fifteen (115) nonpublic schools in Lakewood. Each school follows its own particular school calendar and its own daily starting and ending time.

For contracting and bidding purposes it is recommended that all bidders provide pricing for an eight (8) hour day, Sunday through Friday, and must be able to provide a minimum of ten (10) Full Time Employee hours per day, according to the school calendar, with a range of hours of operations as follows:

Range of Operation Times

Starting Time	7:00 am
Ending Time	10:00 pm

It is understood that the starting and ending times vary from each school depending on their particular calendar.

In addition, each school may request a Full Time employee or Part Time employee option depending on their preference and available funding.

Hours of Service; After School and Evening Events--Overtime

There may be requests from the individual schools to request security officer services for after school and evening events directly related to a school activity and event. If this is the case, the security officer will be paid an overtime hourly rate of one and one-half times the standard hourly rate for any service provided after eight (8) hours of work. There are occasions when the Nonpublic Schools operate during legal holidays. If security officer services are required during these days he/she will be paid an overtime hourly rate of one and one-half times the standard hourly rate.

If Security Guards are required after normal school hours, whether it be evenings or weekends, they will be paid a rate of 125% of their normal hourly rate even if they have not provided forty (40) hours of work for the week. When the Security Guard reaches work hours in excess of forty (40) hours the Security Guard will then receive 150% of their hourly rate or Time and a Half.

Use of Security Vehicles:

Some schools may desire the option of having a Security Guard drive around their campus in a company marked car. This hourly cost would have to reflect all costs associated with the awarded companies' use of their vehicle.

Roving Patrol:

Some schools may desire Roving Security Guards between schools so as to share the costs of maintaining these services with the allocations they have been provided thru the Nonpublic Security Grant. An hourly cost proposed must reflect all costs associated with this service including dispatch, vehicle use, insurance, fuel & staff. The Proposal Form will break down these hourly rates by number of miles traveled.

Number of Security Officers

The Lakewood Board of Education, pursuant to the Nonpublic Security Program Law, has provided a certain allocation of monies to each nonpublic school for security services. Some schools have chosen to spend funds for security equipment and for security officer services. At the present time the Board is unable to ascertain the number of security personnel needed, where they are needed and what type of officer is needed. C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - o of the public entity awarding the contract
 - o of that county in which that public entity is located
 - o of another public entity within that county
 - o or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

Iran Disclosure Requirements—Notification February 26, 2021

Effective January 29, 2021, P.L. 2021, c. 4 amends the law requiring vendor and contractor disclosure of investment activities in Iran. The law allows the Iran investment disclosure form to be submitted **prior to contract award** and at the time the contract is renewed rather than with the bid or RFP submission.

Although the law refers to State contracts, it also applies to contracting units subject to the Local Public, Public School, and County College Contracts Laws because N.J.S.A. 40A:11-2.1; 18A:18A-49.4; and 18A:64A-25.43, respectively, require these contracting units to follow the Iran disclosure procedure for State contracts. Contracting units are encouraged to review the new law with legal counsel and revise their procurement forms as necessary.

Section 4 of P.L.2012, c.25 (C.52:32-58) is amended to read as follows:

4. a. A State agency shall require a person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract to certify, *[at the time the bid is submitted or]* prior to the time a contract is awarded and at the time the contract is renewed, that the person or entity is not identified on a list created pursuant to subsection b. of section 3 of this act as a person or entity engaging in investment activities in Iran described in subsection f. of section 2 of this act.

b. The certification required shall be executed on behalf of the applicable person or entity by an authorized officer or representative of the person or entity.

c. In the event that a person or entity is unable to make the certification required because it or one of its parents, subsidiaries, or affiliates as defined in subsection e. of section 2 of this act has engaged in one or more of the activities specified in subsection f. of section 2 of this act, the person or entity shall provide to the State agency concerned, prior to the deadline for delivery of such certification, a detailed and precise description of such activities, such description to be provided under penalty of perjury.

d. The certifications provided under subsection a. of this section and disclosures provided under subsection c. of this section shall be disclosed to the public.

AMERICANS WITH DISABILITIES ACT OF 1990 Equal Opportunity for Individuals with Disability

The contractor and the Board of Education (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
