Curriculum Associate's I-Ready Program received the highest score of 93.50 points due to the fact that their intervention program is the most aligned to the district curriculum and lessons. Although their pricing was higher than the other vendors, their program focuses strongly on the conceptual understanding of the mathematics to promote procedural fluency. In addition, the program uses a plethora of visual models to enhance and support students' development of number sense. The Evaluation Committee recommends the award of CC 02-2122 to Curriculum Associates, LLC for the 2021/2022 school year.
