CC 07-2021 NONPUBLIC PARAPROFESSIONALS

RECEIVED 12/22/20

COMMITTEE REPORT

One response was received and evaluated for CC 07-2021 from Tree of Knowledge Learning as follows:

	Tree of Knowledge				
		Technical Max pts.35	Management Max pts.40	Cost Max pts.25	Total Score
Scorer #1		35	36	25 (\$35/hr)	
Scorer #2		35	36	25 (\$35/hr)	
Scorer #3		34.5	37	25 (\$35/hr)	
	Average Score	34.84	36.34	25	96.18 pts

The response was reviewed by a committee.

Scorer #1 and Scorer #2 gave Tree of Knowledge the maximum number of points in the technical category and Scorer # 3 removed ½ a point as their response was missing the “condition precedent to receiving services”

Scorer #1 and Scorer #2 each removed 4 points in the management category and Scorer #3 removed 3 points in the category as a High School Diploma was not submitted as part of a resume, the service provider did not confirm they have the capability to provide the requisite 80 paraprofessionals and the provider did not fully demonstrate at least three (3) years of providing similar services to nonpublic religious schools.

Based on the Committee Report it is recommended that Tree of Knowledge be awarded a contract for Nonpublic School Paraprofessionals for the 2020/2021 school year.
