ADVISORY INFORMATION FOR BIDDERS

PROMPTNESS OF BID SUBMITTAL

It is the responsibility of the bidder to ensure their bid is presented in a sealed envelope to the Office of the School Business Administrator/Board Secretary, prior to the advertised bid date and time. No bids shall be received after the time designated in the bid advertisement. No extensions or exceptions will be made. The School Business Administrator/Board Secretary's Office is opened Monday through Friday from 8:00 am – 4:00 pm according to the school calendar and 8:00 am – 3:00 pm during the summer. Access to the School Business Administrator/Board Secretary's Office may be delayed because of security clearance. Bidders may also submit bids to the School Business Administrator/Board Secretary or designee at the bid opening meeting held in the Board of Education Meeting Room of the administration building, prior to the advertised bid opening date and time. Once again, bids will not be received after the time designated in the advertisement.

PARKING AND SECURITY

Security is of a paramount concern and all visitors will be asked for identification. The security check in process may take time. Parking in the vicinity of the board offices is at a premium and bidders may be directed to the visitor's parking lot. Allow enough time to locate a parking space and walk to the Board Room entrance.

Heavy traffic hours by the educational complex on school days are from **7:00 a.m. to 8:30 a.m.**, and between **1:40 p.m. and 2:15 p.m.**

MAIL

Mail is brought to the Board Offices in mailbags, approximately **10:00 a.m.** each day. The mail is sorted within the district system, by departments. The School Business Administrator/Board Secretary's Office routinely receives its mail at approximately **11:30 a.m.**

UPS / FED EX / AND OTHER EXPRESS DELIVERY SERVICES

Deliveries of this type usually begin at 10:00 a.m. These items are brought only to the receptionist at the main building entrance. The receptionist then calls the various departments with a request to pick up their items. There may be some delay in getting bids to the School Business Administrator/Board Secretary's Office.

HAND DELIVER BIDS – SUGGESTED PRACTICE

Keeping the aforementioned items in mind, it is suggested bidders arrange to hand deliver their bid to the Office of the School Business Administrator/Board Secretary, before the advertised date and time. The person making the hand delivery will receive a time/date stamped receipt from BOARD OF EDUCATION officials.

SPECIFICATIONS FOR STUDENT TRANSPORTATION SERVICES

Lakewood Board of Education

2019-2020 School Year

GENERAL PROVISIONS

1. All contractors shall comply with current applicable New Jersey statutes, regulations and with the policies and procedures of the Lakewood Board of Education governing student transportation.
2. The term of the contract shall, in general, be from **November 1, 2019 through June 30 , 2020** and according to the school calendar, unless so specified differently on the Route Descriptions. Student transportation contracts are deemed to include all State and Federal rules and procedures pertaining to student transportation though not expressly stated.
3. It is the intent of the Lakewood Board of Education to award a contract for transportation as soon as possible after the date set for the opening of bids and to require the successful contractor to provide transportation in accordance with the school calendar. The school calendar, copy attached, is part of these specifications and of the contract. **On routes which require transportation to more than one school, the successful bidder is expected to follow the school calendar and daily scheduled hours of each school at no additional cost, including early dismissals and/or late arrivals as may be scheduled at times by the individual schools.**
4. The successful bidder will be considered an independent contractor and shall not be deemed to be an agent, servant, employee, or representative of the Lakewood Board of Education.
5. As authorized by the Lakewood Board of Education, only enrolled, eligible, public and private school students, adults serving as chaperones or school personnel shall be transported. The vehicle (s) assigned to the routes specified herein shall not be utilized for other purposes during the time periods designated by the route descriptions. There will be no commingling of students from any other school district, ESC or agency that is not specifically included in the bid specifications.
6. Vehicle(s) shall arrive and/or depart the assigned school(s) as indicated on the enclosed route descriptions.
7. No transportation contract shall be subcontracted without the prior written approval of the Lakewood Board of Education.
8. Bids are to be placed in a sealed envelope and plainly marked, **NONPUBLIC MANDATED AND NONMANDATED ROUTES Bid T17-1920** and presented to the School Business Administrator or designee of the Lakewood Board of Education. The School Business Administrator/Board Secretary or designated official shall unseal the bids in the presence of the parties bidding and publicly announce the contents. Bids will be

received at the Lakewood Board of Education, Board Rooms, located at 200 Ramsey Avenue, LAKEWOOD, NJ 08701 up to

**11:00 a.m. prevailing time
Tuesday, October 29, 2019**

It is the responsibility of each bidder to ensure that their bid is complete and presented to the School Business Administrator/Board Secretary prior to the advertised bid date and time. No bids shall be opened previous to the hour designated in the advertisement and none shall be received thereafter. N.J.S.A. 18A:39-5

9. If awarded a contract, your company/firm will ensure compliance with all applicable federal, state and local regulations and will certify such compliance to the BOARD OF EDUCATION upon request.
10. The Board of Education reserves the right to transfer transportation contracts awarded under these specifications to another Board of Education.
11. If any litigation should arise between the Lakewood Board of Education and the successful bidder pursuant to the award of this contract, the venue for any suit shall be laid in the Superior Court of New Jersey, Law Division, in the county where the Board of Education administering the contract is located.

ACCIDENT REPORTING

1. Contractors shall ensure that every school bus driver will: a) immediately inform the principal(s) of the receiving school(s) and the school business administrator or designee of the district board of education providing the transportation following an accident which involves an injury, death, or property damage, b) complete and file the accident report as prescribed by the Commissioner of Education and deliver it to the principal(s) of the

receiving school(s) by the conclusion of the next working day, and c) deliver the report to the school business administrator or designee of the district board of education providing the transportation after it is signed by the principal(s) of the receiving school(s) in accordance with *N.J.A.C. 6A:27-12.2*. In addition, the driver must also complete and file a motor vehicle accident report in accordance with *N.J.S.A. 39-4:130*.

Accident reporting—N.J.A.C. 6A:27-12.2

(a) Every school bus driver shall immediately inform the principal of the receiving school and the school business administrator of the district board of education providing for the transportation following an accident which involves an injury, death or property damage. The driver shall also complete and file the Preliminary School Bus Accident Report prescribed by the Commissioner of Education within 10 days of the accident.

(b) In addition to the Preliminary School Bus Accident Report, the driver of a school bus involved in an accident resulting in injury or death of any persons, or damage to property of any one person in excess of \$500.00 shall within 10 days after such accident complete and file a Motor Vehicle Accident Report in accordance with *N.J.S.A. 39:4-130*.

Failure to properly report school vehicle accidents in accordance with law and code shall result in an assessment of an initial penalty of \$300.00 per accident.

AFFIRMATIVE ACTION

1. If awarded a contract, the vendor will be required to comply with the requirements of *N.J.S.A 10: 5-31 et seq.* and *N.J.A.C. 17:27*.

2. During the performance of this contract, the contractor agrees as follows:

(a) The contractor or subcontractor, where applicable will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

(b) The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color,

national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

(c) The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to *N.J.S.A 10:5-31 et seq.*, as amended and supplemented from time to time, and the Americans with Disabilities Act.

(e) The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with *N.J.A.C. 17:27-5.2*, or a binding determination of the applicable county employment goals determined by the Division, pursuant to *N.J.A.C. 17: 27-5.2*.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

(i) The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- ✓ **Letter of Federal Affirmative Action Plan Approval**
- ✓ **Certificate of Employee Information Report**
- ✓ **Employee Information Report Form AA302**

(j) The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.

Affirmative Action Requirements

Each company shall submit to the Lakewood Board of Education, after notification of award, but prior to execution of a goods and services contract, one of the following three documents:

- ✓ Appropriate evidence that the contractor is operating under an existing federally approved or sanctioned affirmative action program;
- ✓ A Certificate of Employee Information Report approval issued in accordance with N.J.A.C.17:27-4; or
- ✓ An employee information report (Form AA302) provided by the Division and distributed to the public agency to be completed by the contractor, in accordance with N.J.A.C. 17:27-4.

Please note: A completed and signed Affirmative Action Questionnaire is required with submission of bid/proposal.

Failure to submit the Certificate of Employee Information Report or other recognized Affirmative Action evidence prior to the award will result in the rejection of the bid/proposal.

If awarded a contract your company/firm will be required to comply with the requirements of N.J.S.A. 10:5-31 et seq., and N.J.A.C. 17:27 et seq., and the terms and conditions of the Mandatory Equal Employment Opportunity Language—Exhibit A.

Sample Certificate of Employee Information Report

ANTI-BULLYING BILL OF RIGHTS—REPORTING OF HARASSMENT, INTIMIDATION AND BULLYING

The contracted service provider shall comply with all applicable provisions of the New Jersey Anti-Bullying Bill of Rights Act—N.J.S.A. 18A:37-13.1 et seq., all applicable code and regulations, and the Anti-Bullying Policy of the Board of Education. The district shall provide to the contracted service provider a copy of the board's Anti-Bullying Policy.

In accordance with N.J.A.C. 6A:16-7.7 (c), a contracted service provider, who has witnessed, or has reliable information that a student has been subject to harassment, intimidation, or bullying shall immediately report the incident to any school administrator or safe schools resource officer, or the School Business Administrator/Board Secretary.

ANTI-DISCRIMINATION PROVISIONS—N.J.S.A. 10:2-1

N.J.S.A. 10:2-1. Anti-discrimination provisions. Every contract for or on behalf of the State or any county or municipality or other political subdivision of the State, or any agency of or authority created by any of the foregoing, for the construction, alteration or repair of any public building or public work or for the acquisition of materials, equipment, supplies or services shall contain provisions by which the contractor agrees that:

a. In the hiring of persons for the performance of work under this contract or any subcontract hereunder, or for the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under this contract, no contractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex, discriminate against any person who is qualified and available to perform the work to which the employment relates;

b. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate

against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex;

c. There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of \$50.00 for each person for each calendar day during which such person is discriminated against or intimidated in violation of the provisions of the contract; and

d. This contract may be canceled or terminated by the contracting public agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract.

No provision in this section shall be construed to prevent a board of education from designating that a contract, subcontract or other means of procurement of goods, services, equipment or construction shall be awarded to a small business enterprise, minority business enterprise or a women's business enterprise pursuant to P.L.1985, c.490 (C.18A:18A-51 et seq.).

BACKGROUND CHECK; DRIVER ABSTRACT RECORDS SUBMISSION

1. The contractor shall ensure compliance with the requirement of N.J.S.A 18A:39-17 through 20 governing criminal history background checks, and shall annually submit documents necessary to obtain the driver abstract records to the Executive County Superintendent of Schools on or before August 31 or upon employment for newly hired drivers. These documents should be returned to:

Executive County Superintendent of Schools
Attn: Transportation Department
212 Washington Street
Toms River, NJ 08753 (732) 929-2079

A copy of the documents sent to the Executive County Superintendent of Schools shall also be sent to our office: Lakewood Board of Education, 200 Ramsey Avenue, Lakewood, NJ 08701. Failure to do so will result in withholding of payment until the information is provided.

2. The contractor shall ensure compliance with the requirements of N.J.S.A. 18A:6-7.6 through 12 governing child abuse and sexual misconduct checks. Additional information on this requirement is available from the Office of Criminal History Review at:
<https://www.state.nj.us/education/educators/crimhist/preemployment/>.

BASIS OF BID AND ADJUSTMENTS

1. The bidder shall submit the bid on the bid sheet contained in these bid specifications. Bids shall be submitted on a per diem or per annum basis as indicated on the enclosed bid sheet. Other bid sheets are not acceptable.

2. If any change in the described route results in increased or decreased miles, the amount of the contract shall be adjusted as specified in the bid. **Bids which do not include an adjustment amount will not be accepted; an amount of \$0 increase/decrease will be accepted.** No change in cost will be provided for increased student participation. Increased student participation may be made up to the vehicle capacity. Additional mileage will be paid if there is a significant change in the route.
3. The net result of any mileage adjustment to a nonpublic school transportation contract shall not exceed the maximum cost per student in accordance with N.J.S.A. 18A:39-1(a). Calculations to determine the per-student cost shall include all students on the route, public and nonpublic.

BID GUARANTEE and CONSENT (CERTIFICATE) OF SURETY

Bid Guarantee—Five (5%) Percent; Not to Exceed \$50,000

As a requirement for this bid, each bid shall be accompanied by a bid bond, cashier's or certified check for five percent (5%) of the amount of the annual contract cost, but in no case may the certified check, cashier's check or bid bond exceed \$50,000. No other form of guarantee is authorized. This guarantee shall be made payable to the "Lakewood Board of Education".

Such deposit shall be forfeited upon refusal of a bidder to execute a contract; otherwise, checks shall be returned when the contract is executed and a surety (performance) bond is filed with the Lakewood Board of Education. The bid security check for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid opening (Saturdays, Sundays and holidays excepted).

The annual contract amount of per diem contracts shall be calculated by multiplying the total per diem cost by the number of days school is in session. The Bid Guarantee shall be signed and sealed and must show the Bid Number on it.

All bid bonds submitted must be signed and witnessed with original signatures. The Board will not accept facsimile or rubber stamp signatures on the bid bond. **Failure to sign or witness the bid bond by either the Surety or Principal, and/or failure to submit the properly executed bid bond with the bid package, shall be deemed cause for disqualification and rejection of the bid.**

The Attorney-in-Fact who executes the bond on behalf of the surety shall affix to the bond a certified and current copy of the Power of Attorney. The Lakewood Board of Education will only accept bid bonds from companies that are licensed and qualified to do business in the State of New Jersey. Such a list may be available upon request to the State of New Jersey, Department of Banking and Insurance, P.O. 040, Trenton, New Jersey 08625. **Failure to submit a properly executed bid guarantee shall be cause for disqualification and rejection of bid.**

Consent of Surety—Requirement for Bid

As a requirement for this bid, each bid **shall** be accompanied by a Consent of Surety, which must be dated.

The Consent of Surety shall be issued from a surety company licensed and qualified to do business in the State of New Jersey. All certificate (consent) of surety documents must be signed with original signatures.

The Board will not accept facsimile or rubberstamp signatures. The certificate (consent) of surety, together with a power of attorney must be submitted with the bid. Submission of a Consent of Surety which contains any prior conditions upon the Surety's issuance of the required Bonds (other than the award of the contract) may be cause for rejection of the bid.

Failure to sign the Certificate (Consent) of Surety by either the Surety or Principal, and failure to submit the properly executed Certificate (Consent) of Surety with the bid package, shall be deemed cause for disqualification and rejection of the bid.

PERFORMANCE GUARANTEE

A corporate performance surety bond in an amount equal to the annual amount of the contract shall be required of the successful bidder. Each bid shall be accompanied by a signed Prescribed Form of Questionnaire, included in these specifications. The bond to be provided for per diem contracts shall be equal to the total per diem bid multiplied by the actual # of days remaining in school calendar or 180 days.

PERSONAL SURETY BONDS—NOT ACCEPTED BY THE BOARD OF EDUCATION

Personal surety bonds will not be accepted by the Lakewood Board of Education.

BUSINESS REGISTRATION

All bidders are hereby notified that every business organization must submit with their bid a copy of their Business Registration Certificate, in compliance with P.L. 2004, c 57 of the State of New Jersey.

Request of the Board of Education

All bidders or companies providing responses for requested proposals, are requested to submit with their response package a copy of their "New Jersey Business Registration Certificate" as issued by the Department of Treasury of the State of New Jersey.

The Board reminds all respondents that failure to submit the New Jersey Business Registration Certificate prior to the award of contract will result in the rejection of the proposal.

CHILD ABUSE AND NEGLECT; REPORTING SUSPICIONS OF

Bus drivers or aides who have reasonable cause to believe that a child has been subjected to any type of child abuse or neglect, shall **IMMEDIATELY** report any such suspicions to their supervisor.

The bus company supervisor shall report the suspicions, verbally and then followed up in writing, first to the school principal and then to either the Director of Transportation or the

School Business Administrator. It is the responsibility of the school principal to investigate the suspicions and to notify the Division of Child Protection and Permanency.

EXECUTIVE COUNTY SUPERINTENDENT APPROVAL OF CONTRACTS

All transportation contracts require the approval of the Executive County Superintendent of Schools.

Contract Requirements—Return of Contracts

Pursuant to N.J.A.C. 6A:27-9.9 (b), the Board of Education is required to submit all transportation contracts for approval to the Executive County Superintendent of Schools within thirty (30) days of the award or by September 1 of the school year in which transportation is to be provided.

The contractor understands that it is imperative that contracts be returned to the Board in a timely manner in order to comply with the state requirements. The contract must be executed and returned within ten (10) calendar days from the date the contractor received it from the Board. Contracts not returned to the Transportation Department within ten (10) calendar days of receipt by contractor, shall be subject to penalties as noted in the bid specifications Penalties Section. Successful contractors must acknowledge receipt of the contracts at the time of receipt of the contracts.

CONTRACT; BREACH OF CONTRACT

In the event the contractor fails to provide service in accordance with these specifications and stated requirements, the contractor shall be considered in breach of contract. Cancellation of the contract and/or enforcement of contractor's performance bond may result.

CONTRACT PAYMENT TERMS

1. Payment to contractors shall be made on or about the 30th day of the month. Payments will be made in monthly installments, beginning in October provided an invoice and supporting documentations are submitted on a timely basis.
2. The contractor shall execute the contract and submit it to the Lakewood Board of Education with all required related documents in order for the Lakewood Board of Education to comply with the timeline for submission of contracts to the Executive County Superintendent. Failure to do so may result in a delay in the scheduled payment of services. Contractors shall visit the Department of Education's Student Transportation website to become familiar with the contract to be executed.
3. The contractor agrees to execute, bond and return all contracts including emergency contracts within ten (10) working days of receipt. If through the inaction of the contractor, contracts do not reach the Executive County Superintendent of Schools by the required or established time set for such submittals and the district loses money by not being reimbursed or is otherwise fined, the contractor agrees to pay any and all monies lost by the district.

4. The successful contractor agrees to promptly sign any necessary contract addenda as required by law, and return same within five (5) days to the Transportation Department. Failure to execute contracts or contract addenda within the prescribed time period will result in a \$100.00 per day penalty each day beyond the aforementioned time period. The Lakewood Board of Education reserves the right to withhold any and all monies due to the contractor until all requirements above are satisfied
5. Payment for the month of June will be made starting June 30th and continuing through July 15th.
6. Per diem contracts will be calculated on the actual number of days transportation services were performed.
7. Payments are subject to approval by the Lakewood Board of Education Board. Therefore, payments may be delayed depending on the Board's meeting schedule.

CONTRACTOR PERSONNEL/OFFICE CONTACT AND EQUIPMENT

All transportation contractors shall have a dispatcher on duty during the hours of **6:00 am through 6:00 pm**, each day according to the school calendar. The transportation company shall provide the following contact information for the dispatcher:

- Company phone number with dispatcher private line;
- Company cell phone number for the dispatcher;
- Company e-mail address of the dispatcher; and
- Company fax number.

The successful bidder must also have available a **fax machine** in operating order twenty-four (24) hours per day, seven (7) days per week.

The contractor hereby agrees that said fax machine will not be altered as to block out contractor's fax number, time and date. All copies received by the contractor must be able to record a confirming number (vendor's fax number) on the Lakewood Board of Education transmission page.

The contractor must have available to the LAKEWOOD Public Schools and parents, live person telephone answering services from the hours of 6:00 am to 6:00 pm and/or until the last vehicle servicing the School District has returned to the garage, whichever is later. In any case, phone service must be available until at least 6:00 pm during the day services are being performed. They must also have available a responsible person at a specific designated address to make any and all changes as well as handle complaints, and make decisions regarding operations.

COORDINATED TRANSPORTATION SERVICES AGENCY (CTSA) FORM SUBMISSION

Any Coordinated Transportation Services Agency, (CTSA) so authorized pursuant to N.J.S.A. 18A:39-11.1, 11.2 and N.J.A.C. 6A:27-10.1 (a), when responding to bid advertised by an

Educational Services Commission, shall complete, sign and submit their bid, a Coordinated Transportation Services Agency Membership Form.

Reminder: Private bus companies submitting bids do not have to complete, sign or submit this CTSA Membership Form. The form is only for use by CTSA's that may respond to the bid.

DISCLOSURE OF POLITICAL CONTRIBUTIONS

The contractor is advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-20:13 (P.L. 2005, c.271, s.3) if the contractor receives contracts in the aggregate in excess of \$50,000 from public entities in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

Chapter 271 Political Contribution Disclosure Form

As a requirement for this bid, all bidders shall complete, sign and submit with their bid response, the Chapter 271 Political Contribution Disclosure Form which said form is part of the bid package. Failure to complete, sign and submit the form may be cause for the rejection of the bid.

Award of Contract -- Reportable Contributions -- N.J.A.C. 6A:23A-6.3 (a) (1)

"No board of education will vote upon or award any contract in the amount of \$17,500 or greater to any business entity which has made a contribution reportable by the recipient under P.L.1973, c83 (codified at N.J.S.A. 19:44A-1 et seq.) to a member of the board of education during the preceding one year period.

Contributions During Term of Contract – Prohibited -- N.J.A.C. 6A:23A-6.3 (a) (2-3)

current driver's license is also required. Failure to provide information, may result in penalties being assessed for noncompliance.

The successful bidder agrees to furnish the Transportation Coordinator a list of drivers and attendants by route number who will be servicing the routes within ten (10) days of the awarding of said contract. The listing provided must identify each attendant and driver by category. The successful bidder agrees to submit the following for each driver:

- Legible Copy of Driver's CDL License with P (Passenger) & S (School Bus) Endorsements
- Home Address

Medical Certificate/Examination--N.J.S.A. 39:3-10.1

This law requires school bus drivers to submit medical certificate to employer to prove continuation physical fitness and to submit to medical examination that includes certain screenings. **S2848—P.L. 2018 c.151**

Drivers; Backup

Each contractor shall certify that a minimum number of properly licensed backup drivers and backup attendants shall stand ready at their site during the hours "to and from" routes are in operation. All documentation as required in these specifications for regular drivers is also required for backup drivers, and must be submitted to the Transportation Department at the same time as the documentation for regular drivers. The number of backup drivers and attendants required is the same as the number of backup vehicle requirements (see vehicle specifications).

Drivers and Aides; New

If new drivers and attendants are hired after the initial submission of names, driver's license, physical, etc., Contractors must submit all necessary information as required in Bid Specifications to the Transportation Department within 3 days of the employee's hire. In no instance will any driver or attendant be permitted to operate on any LAKEWOOD Public School routes without having proper documentation on file with the Transportation Office.

Dress; Uniforms for Drivers and Aides

The Office of Transportation strongly urges all student transportation companies to provide to drivers and aides a company identifying uniform clothing e.g. shirt, sweater, windbreaker, parka, etc., that identifies the driver and aide as an employee of their company.

School Bus drivers shall not wear shorts, tank tops, slip on sandals, shoes with open heel or toes or other clothing deemed inappropriate by district staff. School bus drivers and transportation aides are prohibited from using electronic devices such as cell phones, smart phones both hand held on wrist watch types, unless the use of such devices is needed in the times of emergent conditions on or about the school vehicle. Drivers and aides are prohibited also to use or view iPod or other music or entertainment devices, including wearing earphones, Bluetooth, ear buds and other similar devices while the school vehicle is in operation.

Familiarization with Bus Route/Route Test Run

Drivers shall familiarize themselves with their routes and stops by actually driving the route and noting stops before the first day of service without students aboard. It is the contractor's responsibility that the drivers meet this requirement at no cost to the Lakewood Board of Education.

It is the responsibility of the contractor to call the parents/guardians of the students informing them of a pick-up time at least 48 hours prior to the route starting.

Gifts to Students; Prohibited

Drivers and/or transportation aides are not to give gifts, presents or food/drink products to any students.

Inspection of Bus Driver's License

The School Business Administrator/Board Secretary or his authorized agent, reserves the right to request, receive and inspect the driver license of any school bus driver under contract with the Lakewood Board of Education. Not Operating School Bus Verification; Revoked, Suspended License--N.J.S.A. 18A:39-19.6

This law requires the School Bus Contractor, within one (1) business day of notification that school bus driver's license is suspended or revoked, to verify to NJ DOE that driver is no longer operating school bus. This law takes effect immediately. **S2850—P.L. 2018 c.152**

Off Route Stops and Pick-ups

The driver will ensure "the direction of the vehicle from the last stop shall be along the safest, most direct route to the destination." Off route stops and pick-ups are strictly prohibited. Drivers are not to stop for coffee/beverage/food or perform other unauthorized activities while children are on the vehicle.

Pick-up/Drop-off Change Requests

Drivers and/or student transportation aides must not accept notes or transportation changes from the parents (change of address or different pick-up/drop-off location). Parents must make changes directly with their school district who will in turn inform the Board of Education in writing of any changes. The Board will inform the contractor in writing of any changes.

Stops—Pickup and Discharge

All students are to be picked up and dropped off at the stops so designated in the official route description. Drivers may not release students at any other stop, unless the bus company receives written permission from the school district to do otherwise. Parents, guardians, students and others may not direct the driver where to release students. In no event should a student be picked up at one residential address and discharged at another address unless so authorized by the school district.

Drivers, when applicable, shall pick up students on the residence side of the street, except on one-way streets. In no event shall a pupil exit from a vehicle on the traffic side.

Stops--Route Drop Off of Students

Drivers are to ensure that all students are brought home in a timely fashion. If a situation arises where a driver becomes lost and there is a delay in getting students home, the driver shall immediately contact the dispatcher of the transportation company, who in turn shall contact the principal of the school. The Office of Student Transportation should be informed of any delays in dropping off students at home.

Seat Belts

Drivers shall wear a properly adjusted and fastened seat belt whenever the vehicle is in motion.

Student Rosters—Maintained by Bus Driver

The school bus driver with assistance from the transportation aide, must possess and maintain the current the Board of Education student roster at all times on the school vehicle.

Attendance

The contractor shall furnish, for each bus, an attendant/s and driver whose duty and responsibility shall be to insure the safety and/or care of the children aboard said vehicle. The attendant/s and driver are to be fully familiar with the job descriptions as attached to the specifications. The attendant must take attendance in the A.M. and P.M. daily and sign the attendance sheet at the end of the month before turning it into the vendor who shall sign each attendance sheet to verify accuracy of the report. The vendor shall turn in the head count report to the Transportation office, at the end of the month, with the attendance information. The headcount report is to be signed by the attendant and verified by vendor signature. The driver and the attendant shall make certain they have all assigned pupils prior to leaving the school in the p.m.

Seating Chart

The successful bidder agrees to assign seats to all students in accordance with the name list supplied by the Transportation Coordinator or his designee and submit one copy of seating chart for each route to the Transportation Office by the last Friday in September of each year, in compliance with state rules and regulations. Said chart to be filed with and approved by the Transportation Coordinator. For contracts awarded due to bidding after the last Friday in September, submit seating charts twenty-five (25) days after the bid date. In instances when ridership is increased/decreased new seating charts are to be submitted within 3 days.

No Show Form

If a student assigned to special education is not present at the assigned bus stop for three consecutive days, the contractor shall report this absence to the district transportation coordinator. (3-Day No Show Form Enclosed)

Speeding, Careless or Unsafe Driving

If during the course of transporting students under contract with the Board of Education, the school bus driver is stopped by law enforcement officials or the NJ Division of Motor Vehicles School Bus Division for any speeding, careless or unsafe driving, the bus contractor will be assessed penalties as noted in the Penalties Section of this bid.

Transporting Students—Safe and Efficient Manner

School bus drivers are not to do or perform any other activity that may distract and/or prevent the transportation of students in a safe and efficient manner.

Unattended Students—Home Destination—Special Education; Handicapped; Age Restriction

An adult (parent, guardian, relative) must be present before a child is allowed to be discharged from the vehicle. This pertains to special education, handicapped students and student under the age of thirteen (13) years.

Drivers must make sure that there is a parent or an adult to meet and accept for the child. If no one is outside for the child, the driver must continue the route until they have dropped off all the students, then they are to go back to the child's home. If there is still no one there, the bus company is to call the bus dispatcher and the Office of Student Transportation for further guidance. No special education, handicapped student or students under the age of thirteen (13) years shall be discharged from the school bus vehicle unattended. School bus companies are subject to penalties for this infraction.

Communication Skills of Driver/Aide—English Language

The Board of Education requires that either the bus driver and/or the student transportation aide on each route possess sufficient English communication skills (written and verbal) to ensure the safety of all children, the safe operation of the vehicle, proper route compliance, the effective reporting of any safety discipline, and or safety incidents, and all other duties as specified within this bid. It is imperative that directions given by the bus driver and/or transportation aide, especially in case of an emergency, be clearly understood by the parents and students on the route.

AIDES; DUTIES AND RESPONSIBILITIES

The major duties and responsibilities of a transportation aide are outlined in the bid specification package, and are further explained as follows:

- To ensure that all students have their seat belts properly fastened while the transportation vehicle is in motion.
- To attend to the special needs of identified students.
- To maintain order on the transportation vehicle and actively supervise students. Aides must sit in the rear of the bus so they can better observe the students' behavior. They must always be aware of their surroundings.
- To assist students in safely riding on the transportation vehicle.
- To assist the bus driver in determining there are no students left on the vehicle.
- To participate in all training activities for the protection and safety of all on the transportation vehicle, e.g., exit drills.

- To act in a courteous and professional manner to all students on the transportation vehicle and to all school personnel and parents involved with student transportation.
- To assist students on and off the school bus vehicle.

Criminal History Background Check

All transportation aides are subject to criminal background checks as prescribed by law. Each aide is to be properly identified on the School Bus Driver/Aide form that will be given to the successful contractor.

Communication Skills—English Language

The Board of Education requires that either the bus driver and/or the student transportation aide on each route possess sufficient English communication skills (written and verbal) to ensure the safety of all children, the safe operation of the vehicle, proper route compliance, the effective reporting of any safety discipline, and or safety incidents, and all other duties as specified within this bid. It is imperative that directions given by the bus driver and/or transportation aide, especially in case of an emergency, be clearly understood by the parents and students on the route.

The transportation aide shall wear a properly adjusted and fastened seat belt whenever the vehicle is in motion.

Aide Provided by Bus Company

A bus aide will be hired and trained by the contractor except in those instances where the district wishes to supply the aide.

Aide Not Required at the Time of the Bid—Bidding Purposes

Contractors shall bid for an aide although the specifications do not call for one (failure to do so may result in a rejected bid). If a second aide shall be required during the course of the contract, the original aide cost applies. The aide cost shall not be used if the need for the aide is unknown when determining the bidder—N.J.A.C. 6A:27-9.3 (e) (1) (iv)

The cost per aide shall be bid on a per diem basis separate from the cost of the route. If the contractor fails to provide for an aide when a route specifically calls for one, penalties may be assessed and it may be cause for breach of contract.

DRIVER AND AIDE TRAINING

The contractor shall ensure compliance with the requirements of N.J.S.A. 18A:39-19.2 and 3 governing the training of school bus drivers and aides, and shall annually submit required documents to the county superintendent of schools on or before August 31 or upon employment for newly hired drivers and/or aides.

DRUG AND ALCOHOL TESTING

If awarded a contract, the vendor will be required to certify to Lakewood Board of Education that you are in compliance with the drug and alcohol requirements of the Omnibus Transportation Employee Testing Act.

DRUG, ALCOHOL AND TOBACCO USE – STATE LAW AND SCHOOL DISTRICT POLICY

All bidders are reminded that NJ State Law and the BOARD OF EDUCATION policy concerning drugs, alcohol, tobacco and controlled dangerous substances contains the following paragraph:

Students are prohibited from possessing, consuming or distributing drugs or alcohol in any form while at school, in co-curriculum programs, on school grounds, attending a school-related function on or off campus, and when going to and coming from school.

Students are further prohibited from smoking cigarettes or using other tobacco products in any form in school buildings or on school grounds (*including the school bus*).

If the bus driver or the transportation aide observes a student violating the policy by possessing, consuming or distributing drugs or alcohol or if the student appears to be under the influence of a chemical substance, that behavior should be reported to the school principal as soon as possible.

These requirements also pertain to school bus drivers and school bus aides. The school bus vehicle shall be smoke free at all times whether students are being transported or not. Failure to adhere to this policy by either the bus driver or aide may lead to suspension and termination.

EMERGENCY EXIT AND EVACUATION DRILLS

Pursuant to N.J.A.C. 6A:27-11.2 Emergency Exit and Evacuation Drills from School Vehicles:

Schools shall organize and conduct emergency exit drills at least twice (2 times) within the school year for all students who ride school buses.

- The school bus driver and transportation aide shall participate.
- Drills shall be conducted on school property and be supervised by the Principal or person assigned to act in a supervisory capacity.

All contractors are to ensure school bus drivers continue to receive training on Emergency Exit and Evacuations in accordance with Section 10.3 of the New Jersey Division of Motor Vehicles COMMERCIAL DRIVER LICENSE MANUAL.

EMERGENCY PROVISIONS

1. In the event the school is closed due to inclement weather or other emergencies, the contractor shall be notified as soon as possible by the public school authorities providing transportation. Contractors are advised to listen to school closing announcements broadcast over the local networks.

BID T17-1920-NP mandated & non-mandated

2. In an emergency where the contractor cannot meet the schedule, or if the school has a change in schedule, the party responsible for any change shall immediately notify the other party.

IDLING OF SCHOOL BUS VEHICLES—Enforcement—Three (3) Minute Rule

The Board of Education reminds all school bus contractors, that all efforts will be taken to strictly enforce New Jersey's idling requirements for school bus vehicles.

Idling Limit Time for School Bus Vehicles—Three (3) Minutes

No person shall cause, suffer, allow, or permit the engine of a gasoline-fueled motor vehicle or diesel-powered motor vehicle to idle for more than **three (3) consecutive minutes** if the vehicle is not in motion.

The required form is to be completed and signed by the **bidder's insurance agent**. The signed and completed form is to be submitted with the bid. Failure to have the form completed and signed by the insurance agent and failure to have the form submitted with the bid, shall be cause for the bid to be rejected.

Insurance Certificate with Contract—Submitted Prior to Execution of Contract

Companies that have been awarded transportation contracts shall submit an original certificate of insurance provided by your insurance carrier/provider that meets the requirements of the bid specifications. The original insurance certificate is to be presented prior to the execution of contract and will last for the duration of the contract.

Insurance—Contractor Responsibility

The contractor shall assume full responsibility for bodily injuries to or the death of any of the occupants on the buses used in the performance of this contract, or any other persons, by reason of any accident for which he/she or his/her agents shall be legally liable, and for the security of which he/she shall deposit with the District a public liability policy contract issued by a reliable insurance company, approved by the Lakewood Board of Education, indemnifying the contractor and his/her agents for such liability shall be furnished.

Contractor agrees to hold the Lakewood Board of Education, their officers, agents, servants and employees harmless from all loss or damages occasioned to it or to any third party or property by reason of carelessness or negligence on the part of the contractor, sub-contractor, agents, servants and employees in the performance of said contract and will after notice therefore defend and pay the expenses of the defense of any such suit which may be commenced against the District Superintendent, The Lakewood Board of Education, their officers, agents, servants and employees by third parties alleging any injury by reason of such carelessness or negligence and will pay any judgment that may be obtained against the District Superintendent, The Lakewood Board of Education, its officers, agents, servants and employees as well as any interest that may appear in such suit.

Cancellation of Policy

The successful bidder's insurance company shall forward notice, in the event of cancellation of the policy, ten (10) days prior to the date of termination of the coverage specified.

1. The district board of education and the Executive County Superintendent shall be notified by the insured whenever any policy is cancelled. Notification shall be made within 48 hours of the receipt of the notification of the cancellation by the insured, and before the cancellation takes effect.
2. If applicable, the contractor will protect, defend, and save harmless the Lakewood Board of Education, its employees from any suits or actions of every nature and description brought against it for or on account of any injuries or damages received or sustained by any party or parties by or from any acts of the contractor, its servants or agents as a result of the performance of the contract.

Maintenance of Required Coverage Rates—Duration of Contract

As a requirement for this bid the contractor shall provide automotive liability insurance in the amount of **\$5,000,000 or greater, combined single limit per occurrence**. The contractor shall maintain the required coverage rate throughout the term of the contract. Failure to maintain or decreasing the required coverage rate, in any manner, anytime during the term of contract shall be cause for possible breach of contract. The Lakewood Board of Education considers this activity a very serious matter and will report any contractor who fails to maintain the required coverage to the New Jersey Division of Motor Vehicles, the Executive County Superintendent and the New Jersey Department of Banking and Insurance.

IRAN DISCLOSURE OF INVESTMENT ACTIVITIES

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at <http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf>. Bidders must review this list prior to completing the below certification.

If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

In addition, bidders must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes on the lower portion of the enclosed form.

Lakewood Board of Education has provided in this bid package a form entitled:

Disclosure of Investment Activities in Iran

All bidders are to complete, sign and submit the form with their bid response.

Failure to complete, sign and submit the Disclosure of Investment Activities in Iran form with the bid response shall be cause for rejection of the bid.

LITIGATION AND COMPLIANCE

If any litigation should arise between the Lakewood Board of Education and the successful bidder pursuant to the award of this contract, the venue for any suit shall be laid in the Supreme Court of New Jersey, Law Division of the county in which the Board of Education administering the contract is located.

If awarded a contract, your company/firm will ensure compliance with all applicable Federal, State, and Local Regulations and will certify such compliance to the board of education upon request.

MAINTENANCE OF CONTRACT RECORDS

The contractor is advised that relevant records of private vendors or other persons entering into contracts with covered entities are subject to audit or review by the Office of the State Comptroller pursuant to *N.J.S.A. 52:15C-14(d)*. The contractor shall maintain all documentation related to products, transactions, or services under this contract for a period of five years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request.

MODIFICATIONS

Any modifications to these specifications after the public advertisement for bids and prior to the scheduled bid opening will be made known by certified mail to all bidders who requested specifications.

PASSENGERS (N.J.A.C. 6A:27-1.6)

Transportation companies shall ensure that only enrolled eligible students assigned by the Lakewood Board of Education, school personnel, and authorized school aides shall be transported on the school bus. No unauthorized personnel, especially children of school bus drivers, aides, and parents of students may ride on vehicle without express written consent of the Board.

Parents, guardians, relatives, friends of students, and the general public are prohibited from entering a school bus unless expressly invited by the school district and/or THE BOARD OF EDUCATION officials. There shall be no standees on the transportation vehicle. The safety of the students on the bus is the district's paramount concern.

The Lakewood Board of Education reserves the right to make modifications of routes subject to the provisions of the bid and of the rules of the State Board of Education.

The contractor shall permit no person, other than the pupils to be transported and employees of the Lakewood Board of Education assigned to the bus, to accompany the pupils without the written approval of the Transportation Coordinator and his/her representative. No merchandise, materials, freight or advertisement of any kind, other than that specifically approved by the Board of Education, shall be carried or displayed on any bus used in the performance of the contract, while pupils are being transported thereon.

PENALTIES TO TRANSPORTATION CONTRACTOR

The Lakewood Board of Education gives as notice and guidance to all bus contractors of a list of penalties that may be assessed against transportation contractors for failure to provide equipment and/or services pursuant to the terms and conditions of this contract. It is the desire of the Board not to assess penalties against contractors. It is our goal and mission to have all contractors to provide equipment and services as specified, in order to transport all students in a safe and efficient manner.

PRE-EMPLOYMENT REQUIREMENTS—CONTRACTED SERVICE PROVIDERS

When applicable, all contracted service providers, whose employees have regular contact with students, shall comply with the Pre-Employment Requirements in accordance with New Jersey

P.L. 2018 c.5, N.J.S.A. 18A:6-7.6 et seq. Contracted service providers are to review the following New Jersey Department of Education—Pre-Employment Resource P.L. 2018 c.5 link below for guidance and compliance procedures.

<http://nj.gov/education/educators/crimhist/preemployment/>

RENEWAL OF CONTRACTS

The Lakewood Board of Education may, at its discretion, request that a contract be renewed in full accordance with N.J.A.C. 6A:27-9.13. The School Business Administrator/Board Secretary may negotiate a renewal of contract proposal and present such negotiated proposal to the Board of Education.

The board has the final authority in awarding renewals of contracts.

REPORTING STUDENT LEFT UNATTENDED ON THE SCHOOL BUS

1. Every owner/operator of a school vehicle shall immediately inform the administrator or principal of the receiving school and the chief school administrator of the district board of education providing for the transportation or their designee following an incident in which it has been determined that a student has been left unattended on the school bus at the end of the route. School district or school bus contractor personnel who discover, or to whom it is reported, that a student has been left on a school bus shall immediately report the incident to the owner/operator of the vehicle. A student is considered to have been left unattended on the school bus at the end of the route when the driver has left the vicinity of the bus.
2. The bus driver and the aide (when applicable) are to check the bus for children left on board at the conclusion of every run. This check is to be performed at the school for drop offs and at the conclusion of “from school runs.” School vehicles must be checked either at the last stop or driven to a safe location and checked prior to returning to the bus depot (terminal).

ROUTES

Within 10 days of the start of the contract, the contractor shall submit to the Lakewood Board of Education, a description of the actual streets traveled for routes for the transportation of special education students for which the streets to be traveled are not described by the Lakewood Board of Education on the route description contained in the bid. Once a route is awarded, contractors must notify parents or guardians of their child’s pick up time within 48 hours prior to the route starting.

When applicable, the Board reserves the right to add students from surrounding towns up to where the capacity allows taking into account time as well as the disability of a student.

The Lakewood Board of Education route sheets, accompanying this bid specification require one vehicle for each route and a different driver and or attendant(s) as required for each route. This requirement cannot be waived.

Route Sheets

The route sheets will determine the type and size of vehicle to be used and will specify lift vans or buses as necessary. The route sheet will also indicate whether the route is to and from school within district, or out of district. This will determine the type of contract to be issued to the vendor after award. The route sheet will also specify the number of attendants required. (In cases of out-of-district pupil transportation requested on the route sheet, the Lakewood Board of Education reserves the right to bid by route, per pupil, by mileage, or by vehicle on a per diem or per annum basis. The type of bidding for out-of-district service will be noted on the route sheet.)

Listing of numbers of students on route sheets are approximate and for informational purposes only. Contractors will keep up to date route lists in their place of business for use by substitutes and regular drivers for all routes.

STATEMENT OF OWNERSHIP DISCLOSURE

All bidders are hereby notified that every corporation and partnership, according to the provision of Chapter 33, Laws of 1977 of the State of New Jersey, must submit a statement prior to the receipt of the bid or accompanying the bid, setting forth the names and addresses of all stockholders in the corporation or partnership who own 10% or more of its stock, of any class or of all partners in the partnership, who own 10% or greater interest therein, as the case may be. If one or more such stockholder or partner is itself a corporation or partnership, the stockholders holding 10% or more of that corporation's stock, or the individual partner's 10% or greater interest in that partnership, as the case may be, shall also be listed. The disclosure shall be continued until names and addresses of every non-corporate stockholder, and individual partner, exceeding the 10% ownership criteria established in this act, has been listed.

As amended by P.L. 2016 c.43, no business organization, regardless of form of ownership, shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless, prior to the receipt of the bid or accompanying the bid of said business organization, bidders shall submit a statement setting forth the names and addresses of all persons and entities that own ten percent or more of its stock or interest of any type at all levels of ownership.

The included Statement of Ownership shall be completed and attached to the bid proposal. This requirement applies to all forms of business organizations, including, but not limited to, corporations and partnerships, publicly-owned corporations, limited partnerships, limited liability corporations, limited liability partnerships, sole proprietorship, and Subchapter S corporations. **Failure to submit a disclosure document shall result in rejection of the bid as it cannot be remedied after bids have been opened.**

SUBCONTRACTING PROHIBITED

No transportation contract shall be subcontracted without the prior written approval of the Lakewood Board of Education.

TERM OF CONTRACT

The term of the awarded contract shall be for a period from November 1, 2019 thru June 30, 2020 and may only be renewed annually in accordance with N.J.A.C. 6A-27-9.13. After the initial contract term, annual extensions may not result in an effective increase that exceeds for the school year, the annual rise in the Consumer Price Index (CPI) as defined in N.J.S.A. 18A:7F-45 which shall be calculated on the annual contract cost at the end of the term of the contract.

TRAINING PROGRAMS

1. The contractor will ensure and take all necessary steps to ensure that drivers and aides are properly trained to perform their duties.
2. The contractor shall administer a safety education program for all permanent and substitute drivers and bus aides.
3. Drivers and aides will be required to participate in scheduled school bus evacuation drills.
4. The contractor must provide drivers and aides with training which addresses the issues of students who are hidden and/or sleeping on school vehicles.

The contractor will ensure that drivers and aides are properly trained to perform their duties.

The contractor shall administer a safety education program for all permanent and substitute drivers and bus aides.

The Lakewood Board of Education requires training for new drivers, substitute drivers and aides.

5. In accordance with P.L. 2015, c.123, the Department of Education has developed a training program for school bus drivers and school bus aides on appropriate procedures for interacting with students with special needs. Training materials developed to satisfy the requirements of N.J.S.A. 18A:39-19.2 and 3 are now available on the Department's Student Transportation webpage. The online materials consist of a video, a question-and-answer document, a certificate template that demonstrates the driver/aide has completed the training, and a student information card. The contractor shall ensure compliance with the requirements of N.J.S.A. 18A:39-19.2 and 3 governing the training of school bus drivers and aides, and shall annually submit required documents to the county superintendents of school on or before August 31 or upon employment for newly hired drivers and/or aides.

TRAINING--SAFETY EDUCATION—DRIVERS AND BUS AIDES--N.J.S.A. 18A:39-19.1 (a)

This law requires safety education training twice per calendar year for school bus drivers and school bus aides including at a minimum:

- Student management and discipline.
- School bus accident and emergency procedures.

- Conducting school bus emergency exit drills.
- Loading and unloading procedures.
- School bus stop loading zone safety.
- Inspecting the school vehicle for students left on board at the end of the route.
- The use of student's education records, including the employee's responsibility to ensure the privacy of the student and the student's records, if applicable.
- Administering a safety education program to school bus drivers including defensive driving techniques and railroad crossing procedures. **A4345—P.L. 2018 c.160**

TRANSFER OF CONTRACT

The successful contractor agrees to notify the Transportation Coordinator or his/her designee in writing, when the firm, company, partnership, or business is sold forty-five (45) days prior to the signing of the contract sale. The contractor (seller) agrees to require the purchaser to execute PUPIL TRANSPORTATION CONTRACT TRANSFER AGREEMENT for each route and specifications as well as bonding. Affirmative Action Forms and other requirements of the law including rules, regulations and procedures of the State of New Jersey Department of Education and the Lakewood Board of Education. It is further agreed the purchaser will not service any route until the proper district resolution, affirming the transfer of all routes are adopted and contracts are properly transferred to the name of the new owner.

Whenever a contractor has entered into or intends to enter into an agreement to sell or assign to a purchaser all of the contractors' rights and liabilities with respect to the transportation contract between Lakewood Board of Education and the contractor, such assignments require the approval of both the Lakewood Board of Education and purchaser.

The transfer shall impose no additional cost to the Lakewood Board of Education. All terms of the original contract shall remain in effect. The assignment between the Board of Education and purchaser provides:

- Affirmative action documentation;
- Certificate of insurance;
- Corporate surety (performance bond);
- Iran Disclosure Form;
- Stockholders/ownership disclosure statement; and
- Other documents that may be required by the board of education.

The prescribed pupil transportation contract transfer agreement shall be completed for each contract. The transfer must be approved by the Lakewood Board of Education.

TRIPS

The direction of the vehicle shall be the safest most direct route to and from the destination.

TUBERCULOSIS TESTING

The contractor shall ensure that all bus drivers and bus aides are tested for tuberculosis infection in compliance with N.J.A.C. 6A:32-6.3.

VEHICLES

1. Transportation equipment shall be properly registered by the Motor Vehicle Commission, meet all current specifications in accordance with Federal and State law, the rules of the State Board of Education, and any additional specifications of the Lakewood Board of Education.
2. **Accepted Date of Vehicle--Year of School Vehicle—2010 or Newer**
The Lakewood Board of Education will only accept bids on National School Bus Glossy Yellow Vehicles, which have a vehicle manufacture year of

**2010
Or newer**

THE BOARD OF EDUCATION will use as a basis of compliance with this section by reviewing the year that is found on the NJ MVC Vehicle Registration Card.

Exception—Wheelchair Lift Vehicles—2008 or Newer

Bid prices will be accepted by the Board of Education for National School Bus Glossy Yellow Vehicles with wheelchair lifts and seating with a manufacture year of 2008 or newer.

Exception—Emergent/Unforeseen Circumstances

An older school bus vehicle, one manufactured within the guidelines of N.J.S.A. 39:3B-5.1, may be used in emergent/unforeseen circumstances for no more than five (5) days cumulative total in one school year. Written permission must be received from the Board of Education prior to use any older vehicle.

Rejection of Bid

Bid prices on routes for National School Bus Glossy Yellow Vehicles dated earlier than 2010 (2008 National School Bus Glossy Yellow Wheelchair Lift vehicles) will be considered non-responsive and subject to disqualification and rejection of bid.

Vehicle Registration Cards—Copies Required—Submit with Bid

As a requirement for this bid, all bidders shall submit with their bid, copies of National School Bus Glossy Yellow Vehicle Registration Cards, providing documentation of compliance with the Accepted Date of Vehicle section of this bid. Failure to submit copies of the Vehicle Registration Cards with the bid shall be cause for disqualification and rejection of the bid.

Vehicle Registration Cards—Copies Required—Submit with Route

All contractors must submit upon awarding of a route, a copy of the vehicle registration card of the school bus vehicle assigned to the route. Failure to provide the copies of the vehicle registrations may lead to penalties being assessed.

3. All vehicles shall be systematically inspected twice within the year and display a school bus certification inspection sticker to ensure that such vehicles and equipment are in safe and proper operating condition.
4. The contractor shall provide and maintain an adequate number of school buses, including spares, to safely transport any and all students assigned to the routes contained in this bid and to assure uninterrupted service in the event of mechanical breakdown.

Breakdown of Vehicle

In the event of a breakdown of a school bus vehicle, the transportation company shall:

- Notify the company dispatcher to send a backup vehicle;
 - Notify Parent/Guardian of any delays;
 - Contact police if the need warrants police assistance;
 - Contact receiving school principal of vehicle disability;
 - Contact Transportation Department of the Lakewood Board of Education
5. The Lakewood Board of Education or designee reserves the right, during the term of the contract, to inspect for approval any vehicle in use on routes covered by the contract and further reserves the right to ride any vehicle on a route covered by the contract.

6. **Types of School Bus Vehicles Required—National School Bus Glossy Yellow**

As a requirement for this bid, the Lakewood Board of Education will only accept bids from transportation companies that will provide the following School Vehicles, unless so otherwise noted on the Route Description:

Type A with S2 Plates—National School Bus Glossy Yellow (School Vehicle Type II)

Where specified in the route description, contractors shall submit a bid on a Type A school bus vehicle with S2 license plates. The buses shall be painted with National School Bus Glossy Yellow with up to 16 passenger seating, not including the bus driver.

Type B with S1 Plates—National School Bus Glossy Yellow (School Vehicle Type I)

Where specified in the route descriptions, contractors shall submit a bid on a Type B school bus vehicle with S1 license plates. The buses shall be painted National School Bus Glossy Yellow from 16-30 passenger seating, not including the bus driver.

Type C or D with S1 Plates—National School Bus Glossy Yellow (School Vehicle Type I)

Where specified in the route description, contractors shall submit a bid on a Type C or Type D school bus vehicle with S1 license plates. The buses shall be painted National School Bus Glossy Yellow with up to 54 passenger seating, not including the bus driver.

No cars, station wagons, vans or other non-National School Bus Glossy Yellow vehicles will be accepted unless it is indicated on the route description.

Contractors who substitute vehicles after the contract is awarded, shall be assessed a per diem penalty for each day the substituted vehicle is used. Contractors may also be considered in possible breach of contract for this violation.

Bidders are to carefully read the attached Route Descriptions to determine what type of school bus vehicle is required for that particular route.

7. The Lakewood Board of Education will not reimburse the contractor for the cost of repairs for any damage to vehicles caused by students.
8. Inspection; Bi-Annual
The successful bidder agrees to provide copy of written verification (inspection report) of bi-annual inspection to the Transportation Coordinator after completion of inspections, but in no event later than 30 days after the due date for passing of inspection. The verification shall include bus number, VIN number, license number, and inspection sticker number. The Transportation Coordinator and/or designee upon receipt of verification shall perform an on-site inspection of vehicles at the vendors' depot or at school buildings.

No vehicle is to be used by a contractor on any route contracted to the LAKEWOOD Public Schools unless the vehicle has been previously inspected and approved in writing by the Transportation Coordinator or designees. FAILURE TO COMPLY WILL RESULT IN NON-PAYMENT AND POTENTIAL TERMINATION OF THE CONTRACT

Other Vehicle Conditions and Requirements

Alternate Transportation

If in the event of vandalism to the bus fleet or in case of severe inclement weather and the number of operable buses necessary to complete all runs is fewer than required, it is the contractor's responsibility to arrange for immediate alternate transportation that meets the full intent of the specifications with notification to the Transportation Coordinator or designee that said alternative transportation will be provided by a district-approved vendor.

Garage Facilities

The contractor shall provide such garage service, cleaning, repairmen, maintenance service, and other facilities and services as shall be necessary to maintain each bus used in the performance of the contract and daily satisfactory operating condition. Pursuant to all approved rules and regulations, each bus must be heated when in use during cold weather, and must present a good appearance at all times. The contractor's service embraces all cost of operation and maintenance, and includes the of competent operating personnel, equipment, gas, oil, tires, repairs, cleaning service, and all other matters and things necessary to provide safe, efficient, comfortable and prompt transportation and buses of modern design and in first-class mechanical condition.

Record Keeping; Vehicle Maintenance and Inspection

In accordance with N.J.A.C. 6A:27-7.9, bus owners shall retain all records of inspection and quarterly maintenance reports for the life of the vehicle. Such records shall be available for the review by the New Jersey Motor Vehicle Commission, Department of Transportation, and Department of Education. Inspection records must include:

- A daily vehicle condition report by a driver. These reports must be retained for not less than thirteen (13) months.
- A record of vehicle inspection.
- A systematic inspection and quarterly maintenance record signed by the person making repairs and inspection, which shall be maintained for each vehicle.
- For leased or otherwise contracted vehicles an identification of the leaser Or contractor furnishing the school bus shall be included.

Quarterly bus inspections performed by the contractor for buses servicing the LAKEWOOD Public School routes shall be completed and a written report of the condition of each vehicle shall be placed in the Maintenance File. Said file shall be open to inspection by the Transportation Coordinator and/or designee between 7:00 A.M. and 6:00 P.M. daily, Monday thru Friday. Copies of all maintenance records and quarterly inspections shall be forwarded to the Transportation Department within three (3) days upon written request and immediately whenever an emergency situation arises. An emergency situation shall be decided by the Transportation Coordinator and/or designee. Once an emergency situation has been declared, no disagreement on the part of the contractor will be accepted.

Vehicle Required; Determined in Route Sheet Description

The route sheets will determine the type and size of vehicle to be used and will specify lift vans or buses as necessary. The route sheet will also indicate whether the route is to and from school within district, or out of district. This will determine the type of contract to be issued to the vendor after award. The route sheet will also specify the number of attendants required. (In cases of out-of-district pupil transportation requested on the route sheet, the LAKEWOOD School District reserves the right to bid by route, per pupil, by mileage, or by vehicle on a per diem or per annum basis. The type of bidding for out-of-district service will be noted on the route sheet.)

S-2 Cars and Vans; Non-National School Bus Glossy Yellow

The route sheets will determine the type and size of vehicle to be used and will specify lift vans and buses as necessary. The LAKEWOOD Public Schools reserves the right to utilize S-2, cars and station wagons. The route sheet will also indicate whether the route is to and from school within district, or out of district. This will determine the type of contract to be issued to the vendor after award. The route sheet will also specify the number of attendants required.

VEHICLE EQUIPMENT REQUIREMENTS

All vehicles used in the performance of this contract shall be equipped pursuant to Federal Law, State Law and Administrative Code. The Lakewood Board of Education also requires all vehicles to have in good working order the following equipment on the school vehicles:

- **TWO WAY RADIOS**

Every vehicle provided by the contractor shall have fully functional two way radio system capable of communication with the dispatcher of the contractor. Two way radios must be capable of clearly communicating throughout the route service area. A non-operating two way radio will be considered a nonperformance activity of the contractor and the contractor shall be subject to assessment of penalties and possible breach of contract. The fully functional operation of a two way radio system is a critical safety item.

- **CHILD ALERT SYSTEMS**

The Board of Education requires that all transportation vehicles be equipped with an electronic Child Alert System or equivalent.

- **DIGITAL VIDEO/AUDIO RECORDING DEVICE**

The Board of Education requires that all transportation vehicles be equipped with a real time digital video/audio recording device. It is the requirement of the district to have a camera or cameras placed at the **front of the bus** and face backwards in order to capture the entire bus on the video digital memory and a camera or cameras placed directly over the **driver's left shoulder** pointed in the direction of service door, high enough to view the driver, stairwell in the service door clearly.

The system must have the ability to send video recordings and detailed reports via email to the district. The bus company must upload the recordings from the digital/audio recording devices on a weekly basis in a retrievable format. Only authorized personnel are permitted to view recordings.

- **GLOBAL POSITIONING TRACKING DEVICE (GPS)—REAL TIME MONITORING**

The Board of Education requires that all transportation vehicles be equipped with a Global Positioning Tracking Device. The GPS must be able to provide real time monitoring of bus location, direction, speed, stops and idle time at each stop. It must also be able to provide reports, with any of the above information, when requested. The system must have the ability to send detailed reports via email to the district.

- **CHILD RESTRAINT SYSTEMS; VESTS, CAR SEATS**

The contractor shall supply pre-school children and older students (pursuant to the IEP) with appropriate child restraint systems, vests and car seats, when requested and at no cost to the Lakewood Board of Education.

- **ROUTE IDENTIFICATION CARD—PLACED IN WINDOW**

All vehicles must have a route identification card for every route. This card must be placed in the inside second window back from the service door on the same side as the service door. The Route Identification card should note the following:

- Route Number
- School Destination

It must be on an 8.5 x 11 sheet, landscape orientation using Arial font at size 190. Black lettering on a white background will be used for clear windows. When windows are tinted, white lettering with a black background must be used.

Equipment; Operational at All Times

The Lakewood Board of Education expects all contractors to provide equipment for school vehicles as specified in the bid. The equipment shall also be operational at all times. Failure to provide equipment or to ensure the equipment is operations will lead to penalties to be assessed and may also lead to a possible breach of contract.

Sensor System for School Bus—Equipped on Buses Manufactured after April 16, 2018

Every school bus, manufactured after April 16, 2018, shall be equipped with a sensor system as defined in N.J.A.C. 6A:27-7.13.

The following words and terms shall have the following meanings when used in this section, unless the context clearly indicates otherwise:

"Sensor system" means a system utilizing technology such as, but not limited to, radar, video, sound, or infrared technology that shall be capable of detecting the presence of a person(s) or object(s) as measured by the placement of a 12-inch high by 12-inch diameter cylinder within a minimum area defined as follows:

1. For vehicles with a GVWR of 10,000 pounds or less, five feet laterally to each side and extending 10 feet frontward from the center of the vehicle's front bumper, and five feet laterally to each side and extending 10 feet rearward from the center of the vehicle's rear bumper; or
2. For vehicles with a GVWR over 10,000 pounds, 10 feet laterally to each side and extending 10 feet frontward from the center of the vehicle's front bumper, and 10 feet laterally to each side and extending 10 feet rearward from the center of the vehicle's rear bumper.

PENALTIES TO TRANSPORTATION CONTRACTOR

The Board of Education has provided in this bid specification package a list of penalties that may be assessed. All bidders are to review the section in the bid packages entitled Penalties for Transportation Companies.

PENALTIES FOR TRANSPORTATION CONTRACTORS

The section on Penalties for Transportation Contractors provides a list of monetary penalties to be assessed on the failure to comply with the bid specification requirements on the following:

- Accidents
- Arrivals and Departures; Lateness
- Commingling of Routes; Students
- Contracts Execution; Missed Deadline
- Equipment; Failure to Provide; Non-operational
- Missed Pickups
- Passengers; Unauthorized
- Service; Failure to Provide
- Sole Purpose of Vehicle
- School Bus Driver and Aide
- Stops; Unauthorized
- Students Left on the Vehicle
- Transportation Aides
- Vehicle Maintenance
- Vehicles; Unauthorized

All contractors are encouraged to share the list of penalties with all drivers and aides working on student transportation routes for THE BOARD OF EDUCATION.

Right to Appeal/Dispute

The contractor may dispute said penalties. He/she shall serve notice of appeal upon the Superintendent within (30) days of the penalty being served. The decision of the Board of the Lakewood Board of Education shall be final and binding.

**LAKEWOOD
BOARD OF EDUCATION

LAKEWOOD, New Jersey**

**PENALTIES
TRANSPORTATION CONTRACTOR**

**Lakewood Board of Education
LAKEWOOD, New Jersey**

PENALTIES TO TRANSPORTATION CONTRACTOR

The Lakewood Board of Education gives as notice and guidance to all bus contractors of a list of penalties that may be assessed against transportation contractors for failure to provide equipment and/or services pursuant to the terms and conditions of this contract. It is the desire of THE BOARD OF EDUCATION not to assess penalties against contractors. It is our goal and mission to have all contractors to provide equipment and services as specified, in order to transport all students in a safe and efficient manner.

Breach of Contract

In the event the contractor fails to provide service in accordance with these specifications and stated requirements, the contractor may be considered in breach of contract. Cancellation of the contract and/or enforcement of contractor's performance bond may result.

Accidents

- **Accident; Failure to Report**

The Lakewood Board of Education requires all school bus drivers and transportation contractors to notify the appropriate personnel when there is a school bus accident.

Penalties will be assessed by the Lakewood Board of Education when accidents are not reported in a timely fashion and are not in compliance with N.J.A.C. 6A:27-12.2 and school Lakewood Board of Education policy and procedures. The penalties are as follows:

- **Immediate Notification of Accident**

Failure to immediately notify the Lakewood Board of Education of a school bus accident, shall lead to an initial penalty of **\$300.00** and a per **diem** penalty for each day the accident is not reported.

- **Preliminary School Bus Accident Report - Failure to Submit**

Failure to submit a completed and signed Preliminary School Bus Accident Report (PSBAR) to the Lakewood Board of Education Office of Transportation, within ten (10) days of the accident, shall lead to a penalty of **\$300.00 per diem** for each day after the ten (10) day deadline.

Arrivals and Departures; Lateness

Late arrival to the destination to discharge students and/or to pick up students will not be tolerated by the Lakewood Board of Education. The Lakewood Board of Education may deduct two (2) times the total per diem route cost for each documented late arrival to the destination.

If a transportation contractor has a vehicle arriving late at a destination more than three (3) times within a thirty (30) school day period, the transportation contractor shall receive a warning letter to take corrective action. If no corrective action takes place and the late arrivals continue, the contractor shall be brought to the Lakewood Board of Education for breach of contract.

Commingling of Routes; Students; Doubling Routing

Any contractor found to be engaging in the practice of commingling students of one route with another route, will immediately face a penalty deduction of the per diem cost for each day the infraction occurs. If the practice continues after a warning from the Lakewood Board of Education, the contractor may be considered in breach of contract and a demand put on the performance bond.

Contractors are required to supply a vehicle for each route to transport only those students assigned to that particular route. Under no circumstances are students from one school to be transported with students from another. No commingling unless specified on route list sheet.

The subcontracting of any route awarded to a contractor shall be prohibited. FAILURE TO COMPLY WILL RESULT IN TERMINATION OF CONTRACT-NO PAYMENT TO CONTRACTOR WILL BE MADE FOR ROUTE.

Contracts Execution; Missed Deadline

Any contractor who fails to submit executed contracts and related contract documents to THE BOARD OF EDUCATION within ten (10) days of receipt, may be assessed a penalty of the route per diem for each day the contracts and documents are late being returned. Please note the per diem penalty also includes weekends and holidays.

Equipment; Failure to Provide; Non-operational

The Lakewood Board of Education expects all contractors to provide equipment for school vehicles as specified in the bid. The equipment shall also be operational at all times. Failure to provide equipment or to ensure the equipment is operations will lead to penalties to be assessed as follows:

- **Digital Video Recording System (DVRs); Failure to Provide**

The Lakewood Board of Education requires that all school vehicles be equipped with a digital video recording system. Failure to have digital video recording systems on the bus or to

provide the Lakewood Board of Education with a copy of a video recording when requested, may lead to a penalty of \$300.00 per occurrence.

- **Global Positioning System (GPS); Failure to Provide**

The Lakewood Board of Education requires that all school vehicles under contract with the board be equipped with a global positioning system. Failure to have a GPS on a bus or to provide the Lakewood Board of Education with a print out when requested may lead to a penalty of \$300.00 per occurrence.

- **Two Way Radio Communication System**

The Lakewood Board of Education requires that all school vehicles under contract with the board be equipped with a two way radio system. Failure to have an operational two way radio system on a vehicle may lead to a penalty of \$300.00 per occurrence.

- **Equipment; Other**

THE BOARD OF EDUCATION reminds all contractors that other equipment as specified shall also be provided with the vehicles and be operational. Failure to provide or have operational such as the child alert systems or failure to post Route Identification Cards will lead to a \$250.00 per diem penalty.

Missed Pickups

A contractor must transport assigned children every school day during the length of this contract. A contractor missing a pickup will immediately face a reduction of the two times the per diem rate (including aide cost if applicable) for each missed pick up and may be required to return to pick up the student.

Passengers; Unauthorized

Any contractor found to have unauthorized passengers on the vehicle, especially children of bus drivers, aides and parents of students, shall be assessed a penalty of \$300.00 for every documented violation of this kind.

Service; Failure to Provide

Any contractor failing to provide student transportation service on any route, may be assessed a penalty deduction of the total per diem route cost (route and aide) for each morning run and each afternoon run. Continuing problems in failing to provide adequate service may lead to cancellation of contract.

School Bus Driver and Aide Penalties

- **Assisting Students on and off the School Bus Vehicle**

The Lakewood Board of Education requires all bus aides to assist students on and off the school bus vehicle; especially pre-school, handicapped and medically fragile students. Failure to assist

students which is proven to lead to an unnecessary fall or accident shall lead to a minimum of a \$500.00 penalty being assessed against the bus company.

- **Bus Driver's License; Failure to Produce**

The Lakewood Board of Education reserves the right to request and inspect the bus driver's license. Failure of the school bus driver to produce a current and valid New Jersey CDL license with a P and S endorsement upon request by authorized THE BOARD OF EDUCATION personnel shall lead to an assessment of \$500.00 per occurrence.

- **Clothing; Uniform; Shoe Wear**

School bus drivers and bus aides are to dress in a company identifying uniform clothing e.g. shirt, sweater, windbreaker, parka, etc., that identifies the driver and aide as an employee of their company. School Bus drivers shall not wear SHORTS, TANK TOPS, SLIP ON SANDALS, or SHOES WITH OPEN HEEL OR TOE AREAS OR OTHER CLOTHING DEEMED IN APPROPRIATE BY DISTRICT STAFF. Failure to follow the dress code set by the bid specifications shall lead to an assessment of \$100.00 per occurrence per individual penalty against the transportation company.

- **Electronic Equipment; Improper Use**

School bus drivers and bus aides are prohibited from USE OF CELL PHONES, NEXTEL PHONES, PTT DEVICES, IPOD OR OTHER MUSIC DEVICES INCLUDING THE WEARING OF EARPHONERS, BLUETOOTH HEADSETS OR EARBUDS WHILE OPERATING BUSES WITH OR WITHOUT STUDENTS ON BOARD EXCEPT TO COMMUNICATE DURING AN ACTUAL EMERGENCY. A driver operating a school vehicle while transporting students and using an electronic device shall be considered in violation of improper use of electronic equipment. The transportation company shall be assessed \$500.00 for every documented occurrence.

- **Failure to Report Student Absences**

If a student assigned to a special education route is not present at the assigned stop for three (3) consecutive days, the contractor shall report this absence to the district transportation supervisor. **Failure to provide this information shall lead to a penalty of \$250.00 being assessed against the transportation company.**

- **Speeding, Careless and Unsafe Driving**

If during the course of transporting students under contract with THE BOARD OF EDUCATION, the school bus driver is stopped by law enforcement officials or the NJ Division of Motor Vehicles School Bus Division for any speeding, careless or unsafe driving, the bus contractor will be assessed penalties as follows:

Speeding	\$250.00
Careless Driving	\$300.00
Unsafe Driving	\$500.00

Sole Purpose of Vehicle

The vehicle(s) assigned to the routes specified herein shall not be utilized for other purposes during the time periods designated by the route descriptions. The sole purpose of the vehicle is to be used to transport students in accordance with the route descriptions. Any documented misuse of the vehicle while under contract with THE BOARD OF EDUCATION may lead to cancellation of contract.

Stops; Unauthorized

Any contractor found to have performed an unauthorized stop, while transporting Lakewood Board of Education students, shall be assessed a penalty of \$300.00 for each documented violation of this kind.

Students Left on the Vehicle

It is the responsibility of the driver and/or aide to inspect every seat of the transportation vehicle after dropping students off at school and at the end of the day to ensure that no students remain on the vehicle. N.J.S.A. 18A:39-28 and N.J.S.A. 18A:39-29

If after dropping students off at school and leaving the school grounds, the driver and aide find there is still a student on the bus, and they must return back to the school or to the home to drop the student off, the contractor shall be assessed a penalty of \$500.00 for each documented violation of this kind.

If it is found that a student has been left unattended on the bus, the contractor will be assessed a penalty of **\$2,000.00**. A student is considered to have been left unattended on the school bus at the end of the route when the driver has left the vicinity of the bus.

- **Termination of Driver and Aide**

The abandonment of students on the vehicle is considered by THE BOARD OF EDUCATION to be a serious infraction and would demand that both the driver and the aide be immediately terminated. The driver and aide would also be subject to penalties as outlined in N.J.S.A. 18A:39-29 and N.J.S.A. 18A:39-30

Transportation Aides

Any contractor failing to provide a student transportation aide on the route may be assessed a penalty deduction of one and one-half (1 1/2) times the per diem aide cost for each morning run and each afternoon run. Failure of transportation aide to perform assigned duties, will also result in a penalty deduction of one and one-half (1 1/2) times the per diem aide cost for each documented offense.

Unattended Students—Home Destination—Special Education; Handicapped; Age Restriction

An adult (parent, guardian, relative) must be present before a child is allowed to be discharged from the vehicle. This pertains to special education, handicapped students and student under

the age of thirteen (13) years. Any child as identified left unattended by the driver at a discharge stop shall lead to a penalty of **\$500.00** to be assessed against the bus company.

Vehicle Maintenance

Any contractor that fails to properly maintain their vehicle which leads to discomfort to students e.g. lack of heat, air conditioning, etc., may be assessed a penalty of \$250.00 per documented occurrence.

Vehicles; Unauthorized

Contractors are to transport students on “National School Bus Glossy Yellow” vehicles, as specified on the route description. Any contractor that fails to transport students on a “National School Bus Glossy Yellow” vehicle, as specified, shall be assessed a penalty of the per diem route and aide rate, per documented occurrence and also be subject to possible breach of contract.
