EVIDENCE OF BIDDER'S ABILITY TO OBTAIN AUTOMOBILE INSURANCE COVERAGE--FORM

As a requirement for this bid and pursuant to N.J.A.C. 6A:27-9.3 (e) (8), all bidders are to provide and submit with their bid response, proof of ability to obtain automobile liability insurance coverage required by the bid specifications. The BOARD OF EDUCATION has provided the following form in the bid packet

**EVIDENCE OF BIDDER'S ABILITY
TO OBTAIN AUTOMOBILE INSURANCE COVERAGE
N.J.A.C. 6A:27.9.3 (e) (8)**

The required form is to be completed and signed by the bidder's insurance agent. The signed and completed form is to be submitted with the bid. Failure to have the form completed and signed by the insurance agent and failure to have the form submitted with the bid, shall be cause for the bid to be rejected.

Insurance Certificate with Contract—Submitted Prior to Execution of Contract

Companies that have been awarded transportation contracts shall submit an original certificate of insurance provided by your insurance carrier/provider that meets the requirements of the bid specifications. The original insurance certificate is to be presented prior to the execution of contract and will last for the duration of the contract.

The certificate of insurance must name the LAKEWOOD Board of Education and each "Enjoined School District" as an additional insured party of the policy. (An "enjoined school district" is a public school district in New Jersey as defined in Title 18A:18B, for which the BOARD OF EDUCATION is servicing as either the lead educational agency or purchasing coordinator in securing pupil transportation). Each school district could separately contract for said pupil transportation in which case it would seek indemnification from the selected contractor on a direct basis. However, since it is more efficient for all parties to have the Norther Region ESC perform this service, each "Enjoined School District" loses its right to require that it be named "an additional insured party to the policy" on the contractor's policy as it is not drafting the specifications or bidding the routes. Therefore, the contractor agrees that each school district in this arrangement is "Enjoined" in the named insured status according to the routing matrix and specifically restricted to routes in which an "Enjoined School District" has a pupil being transported.)

Cancellation of Policy

The successful bidder's insurance company shall forward notice, in the event of cancellation of the policy, ten (10) days prior to the date of termination of the coverage specified.

1. The district board of education and the Executive County Superintendent shall be notified by the insured whenever any policy is cancelled. Notification shall be made within 48 hours of the receipt of the notification of the cancellation by the insured, and before the cancellation takes effect.
2. The contractor will protect, defend, and save harmless the LAKEWOOD Board of Education, its employees and *enjoined school districts* from any suits or actions of every nature and description brought against it for or on account of any injuries or damages received or sustained by any party or parties by or from any acts of the contractor, its servants or agents as a result of the performance of the contract.

Maintenance of Required Coverage Rates—Duration of Contract

As a requirement for this bid the contractor shall provide automotive liability insurance in the amount of **\$5,000,000 or greater, combined single limit per occurrence**. The contractor shall maintain the required coverage rate throughout the term of the contract. Failure to maintain or decreasing the required coverage rate, in any manner, anytime during the term of contract shall be cause for possible breach of contract. The LAKEWOOD Board of Education considers this activity a very serious matter and will report any contractor who fails to maintain the required coverage to the New Jersey Division of Motor Vehicles, the Executive County Superintendent and the New Jersey Department of Banking and Insurance.

The bid security check for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid opening (Saturdays, Sundays and holidays excepted).

The annual contract amount of per diem contracts shall be calculated by multiplying the total per diem cost by 180 days. The Bid Guarantee shall be signed and sealed and must show the Bid Number on it.

Failure to sign or witness the bid bond by either the Surety or Principal, and/or failure to submit the properly executed bid bond with the bid package, shall be deemed cause for disqualification and rejection of the bid.

The Attorney-in-Fact who executes the bond on behalf of the surety shall affix to the bond a certified and current copy of the Power of Attorney. The LAKEWOOD Board of Education will only accept bid bonds from companies that are licensed and qualified to do business in the State of New Jersey. Such a list may be available upon request to the State of New Jersey, Department of Banking and Insurance, P.O. 040, Trenton, New Jersey 08625. The Consent of Surety shall be issued from a surety company licensed and qualified to do business in the State of New Jersey. All certificates (consent) of surety documents must be signed with original signatures.
