Five (5) firms were solicited and Two (2) responses were received for CC 03-1819 Behavioral/Social Skills Consultant. Behavior Therapy Associates and New Jersey Coalition for Inclusive Education, Inc. (NJCIE) were the only respondents.

An Evaluation Committee of 3 scored the proposals for Technical and Management compliance. The Technical Criteria were similarly met by both firms, but Behavior Therapy Associates exceeded NJCIE in all aspects of Managerial criteria.

NJCIE did not show a minimum of a PhD BCBA for any staff members and did not meet the educational experience requirements for staff members.

For the Cost Criteria, a Daily Rate Cost was requested. Behavior Therapy Associates complied with this request. NJCIE gave an overall cost for the effort which far exceeded the LMS budget

It is the recommendation of the Evaluation Committee and the Purchasing Agent that an award be made to Behavior Therapy Associates for the 2018-2019 school year to provide Professional Development to address the needs of tier 2 and tier 3 students at the Lakewood Middle School.
