

LAKEWOOD SCHOOL DISTRICT
EVALUATION COMMITTEE REPORT

For COLLEGE AND CAREER READINESS PROGRAM RFP 06-1617

1. List of proposers

- Southern Regional Education Board (SREB)

Proposal Reviews

The Evaluation Committee noted the following when reviewing the sole respondent's proposal:

Southern Regional Education Board

The entity's proposal met all proposed requirements. The proposal shows evidence of implementing a Summer Professional Development Program, incorporating Career and Technical Education (CTE), establishing work based learning, and career based academies. The proposal also addresses how they will provide Math and English/Language Arts (ELA) readiness as a key component of their program. Also noted was the extensive experience of SREB's staff in the area of curriculum writing.

The program provides for a minimum of five (5) days of cross curricular content area training, follow up days for specific training that's required, and over 50 visits to the district's middle and high schools. Also included are twelve (12) days of master scheduling assistance to develop a cohesive schedule that effectively utilizes the instructional space within each building.

The proposal did not identify established partnerships with any NJ based colleges or universities. The entity also did not cite extensive experience in the area of mentoring students or instructing them on standardized test formats and strategies.
