Community Education, a department of the Regional Schools provides after school enrichment programs, extended day programs, courses for teens and adult education classes. As always, we welcome your comments and suggestions. We thank you for your participation and continued support. ( ) denotes number of sessions.

- Parents must log into the Dismissal Manager with their child's plans if they are staying after school for a Community Education class. **YOUR CHILD MUST BE PRE REGISTERED FOR THE CLASS.**
- At the end of the school day the child (ren) should proceed to the assigned classroom.
- **FOR SAFETY REASONS:** No curbside drop-offs or pickups are allowed. Students cannot be dismissed prior to the end of class.
- Please note the ending time of the class. Our instructors teach elsewhere and must arrive on time. **\*\*Some of our vendors have their own lateness/tardy policies, often resulting in additional fees. Habitual tardiness could result in non refundable removal from the program.**
- Please read our general policy statement on the registration form.
- The program reserves the right to cancel under-enrolled classes, change times/locations when necessary and substitute teachers.
- We do not pro-rate classes - please note registration dates, times, fees, and ending times of classes.
- Registrations received after the start date of a class will be subject to space availability.
- Please let us know if your child has any allergies, dietary restrictions or medical circumstances (including medications) that our instructors should be aware of.
- We suggest that you pack a small extra snack the days that your child is taking a class after school.
- For classes that start later your child will go home and return for the start of the later class.
- YDS classes may be found under DS YOUTH PROGRAMS in Community Root.

Want to foster your child's interest in STEM, while igniting their creative spark at the same time? Buildwave is a creative building program that feels like a video game! Over the course of 6 sessions students create with over 50 different building materials, including Lego®, PlusPlus®, and custom -made Buildwave materials. Each session of the program is a new "level" of the Buildwave game, with an audiovisual setup featuring animations and music that guide students through the different building waves. As your child creates with wave after wave of new objects, they build creative confidence, become better collaborators, and encounter design and engineering fundamentals in a unique and memorable context.
