Kelly M. Borchard, Principal

1st Grade Technology Standards

1. Students will use educational websites (i.e. Spelling City and ZEARN) to track progress that will motivate further learning (1a).
2. Students will be able to demonstrate an understanding of digital citizenship after completing digital citizenship (i.e. Common Sense Media) lessons and utilize usernames and passwords correctly (2a, 2b, 2c, 2d).
3. Students will connect with other communities through the use of teacher provided websites and projects (7a, 7b).
4. Students will use research sites to gather information and demonstrate their understanding (i.e. Google Slides) (6a, 6c).
5. Students will be able to demonstrate an understanding of design process by using coding resources (i.e. Code.org and DOT and Dash robots) in the STEM Lab (4a,4b,4c,4d).
6. Students will be able to navigate digital toolbar, tabs, and windows in order to design and present various projects (i.e. Google apps) (1d).
