Kelly M. Borchard, Principal

Transitional Kindergarten / Kindergarten Technology Standards

1. Students are able to perform basic computer commands (on/off, shift, mouse clicking, volume) and know placement of letters and numbers on a keyboard. Students will work towards mastering basic functions and troubleshooting (1d).
2. Students will work towards applying Common Sense Media in their daily use and management of technology (2b 2d).
3. Students are able to use digital tools to publish and share work with parents and other students (i.e. Seesaw) (7a).
4. Students are able to use different websites (i.e. PebbleGo and Scholastic) to research various subjects including science and social studies (3a, 3c).
5. Students are able to generate and test ideas for various problems and tasks including working with Dot and Dash robots (4d).
6. With guidance, students are able to use various platforms, like Book Creator, to create age appropriate books to share with peers and parents (6b).
