

PROCEDURE - AIDS PREVENTION EDUCATION

2169P

At least one (1) month before teaching AIDS prevention education, the District will conduct, during convenient hours for the parents and guardians of students, at least one (1) presentation concerning the curricula and materials that will be used for such education. The parents and guardians shall be notified of the presentation. The curricula and materials shall be available for inspection. No student may be required to participate in AIDS prevention education if the student's parent or guardian, having been informed of the curriculum, objects in writing to participation.

The curriculum for AIDS prevention education shall be designed to teach students which behaviors place a person dangerously at risk of infection by the human immunodeficiency virus (HIV) and methods to avoid such risk.
