

The Superintendent shall arrange for health services to be provided to all students. Such services shall include but not be limited to:

1. The maintenance of student health records;
2. The development of procedures at each building for the isolation and temporary care of students, who become ill during the school day;
3. Consulting services of a licensed health care provider and/or Registered Nurse;
4. Vision (both distance and near) and hearing screening;
5. Immunization records and screening.
