Message from Mr. Johnson:

Dear Carpenter Families:

Recently the office has had a number of requests for completion of forms, especially those for local government agencies. Please note that any forms that need to be completed by the school should be turned in to the office at least 3 business days in advance. Many of these forms take time to complete and require signatures that may not be available on the same day. Our office will do everything we can to return these forms to you within 3 business days. If you have any questions, please contact Miss Pauline or Ms. Val in the office. Thank you.
