### Summer Gardening Opportunity at Thurston!

- Thurston summer garden plots are available June 10th through the fall growing season for \$10 per plot (donations go to the PTO)
- Bring your own vegetables and flowers to plant, your own tools to garden.
- Open to anyone in the school or broader community.
- A great way to get outside and grow your own food this summer and to build community.
- Want to share a plot with your friends or neighbors? That is also possible.
- Interested in helping in the garden but not having a plot for yourself? Please contact me!
