Harvest Fun Field Day - Final Plan

Hello Thurston Friends!

Well, resilience seems to be the theme this year for our community! Due to Dr. Swift's announcement today that there will be no school next Monday, November 1st (along with Tuesday, November 2nd), **our "rain date" for Field Day is now cancelled.**

However, Ms. York and I came up with a **final plan** that will **still be inclusive of all the children and provide Thurston's grown-ups an opportunity to "share" in the celebration:**

This Friday morning, children will engage in craft activities in the classroom. Then, the children will participate in the costume parade that will include **extra movement stations** - two unidirectional obstacle courses consisting of hay bales and pumpkins in the Gym and the MPR. This will add a really interactive and fun element to their indoor costume parade and will not require any additional supervision by parent volunteers. All of **this will be live-streamed from various angles** so our amazing Thurston grown-ups can watch the children move throughout the school.

While this is not our ideal plan to celebrate the end of our fundraiser, we are happy that we can still deliver an enjoyable experience for all of the children and provide a way to include the adult community, albeit virtually.

Therefore, to **all parents who are donating:**

1) pumpkins - please deliver them to the southside picnic tables near the MPR by tomorrow afternoon's pick-up (3:45 pm)

2) cardstock and gluesticks - please leave them in the "Donate School Supplies" tote in front of the main entrance doors by 10:00 am tomorrow morning

For those parents who bought the apples, thank you so much, but we no longer need them. Thank you all for so enthusiastically supporting this event with supply donations and/or your time. We are so grateful!

REMEMBER - the fundraiser is still going on!

We now have \$10, 790 and NEED \$4,210 more.
