IN MEMORIAM

It is with regret that we announce the death of our friend and classmate, Leonard Troutt, who met his death in an automobile accident during the summer vacation.

Leonard was a member of the Class of 1933 and a loyal member of Hi-Y.

Charles Dennis Dobbins, age 17, died on June 25 of heart trouble. He was a member of the present sophomore class until November, 1931, when he was confined to his home uhtil the time of his death.

The sympathy of Springfield high teachers and pupils goes out to the families of these two boys.

Every class in high and grade schools will be paid 10% of the amount of money turned in for subscriptions before Tuesday. Oct. 11. The class with highest percent will receive an additional 5%. Get Busy!

BIG CELEBRATION PLANNED IN HOME-COMING GAME

When Springfield opposes Norton on its new athletic field on Friday, October 7, it will be one big afternoon of celebration. Plans are being made to dedicate the home football field with fitting ceremony,--pep, parades, posters, and Victory.

The loyal alumni of the school are expecting to return in a body to back their "Dear Old Alma Mater".

This will be the first game the Red and Gray warriors of S.H.S. will get to meet an opponent on its own home field.

It is fitting that Norton shoul be the opponents for the occasion. Competition has always been keen between the two schools. This year it will be much greater. Principal V. H. Lynch, formerly of Norton High, promises to act positively neutral in this particular contest.

A large crowd is anticipated from both schools and communities.

COUNTY HIGH SCORERS MEET TODAY IN GRIDIRON DUEL

This afternoon Springfield High football team is scheduled to meet Stow on the latter's field in what promises to be one of the deciding games of the season.

Both teams were high scorers in the county league games last week Stow trimming Twinsburg 19-0, while Springfield was defeating Tallmadge to the tune of 25-6.

The game will be called at 4 o'clock sharp. Springfield is expected to live up to its reputation of having a large following of fans

EDITORIAL

As yet, a few people do not know why we must charge them to see an athletic contest. Thru the current season of different sports, many expenses are incurred by the school to buy the necessary equipment for the teams. There is no fund from which these may be purchased therefore they must depend upon the people who patronize their games.

Misunderstanding has often occured when students try to sell people tickets. People have assumed the idea that it's cheaper to evade the ticket sellers than it is to but a ticket but this is not true. Wh n a crowd of our rooters go to a game and purposely avoid contact with ticket sellers it reflects against our school as well as our sportsmanship. People who go to our games ought to be good enough sports to pay for what they are getting.

Please remember that the gate receipts are ouryonly salvation for carrying on our athletics.

HOW TO BE ELIGIBLE FOR ATHLETICS

The following extracts from the rulings of the Ohio High School Athletic Association may help to clarify the question as to the eligibility of high school boys for football and basketball.

1. A pupil to be eligible in any semester must have passed at the end of the preceding semester in at least three full-credit subjects. (Typing, carried a full year for only one-half credit, will not suffice under this ruling.)

2. A pupil must enter not later than the third Monday of the semester.

3. Any pupil who is under penalty of discipline, or whose character or conduct is such as to reflect discredit upon the school, is not eligible.

4. A pupil must have passing grades in at least three subjects from the beginning of the ssmester up to the end of the week preceding that in which the contest occurs.

5. A contestant's amateur standing must be beyond question.

6. He must have parent's written consent and a doctor's certificate of physical fitness before being eligible.

Futhermore, the boy who represents Springfield in athletics this year, will do so only if he convinces his teachers that he is doing sarisfactory work in his studies, made possible only by regular attendance, and by diligent work in class.

WHEN RIGHT IS WRONG

Right is wrong sometimes. One of those times is when the students walk on the right side of Sanitariam and Canton roads. Intsead of the pupils dodging cars the cars have to dodge them. The taxpayers who pay for these roads should use another road for their cars, that is, in the minds of Springfields' students. But do they realize what a situation taxpayers are in now?

SPRINGFIELD WALLOPS TALLMADGE IN OPENER

Springfield Scores Largest Victory in County as Season Opens

A very large turnout witnessed the trouncing given to Tallmadge Friday afternoon at 4:00 o'clock at their field in a 25-6 victory.

After a delayed start, the Red and Grey ball-toters marched steadily down the field and McIntyre crashed the line for the first touchdown. The try for point failed.

Lennox opened the second half with a long run thru the Tallmadge team, Nolte making the extra point. Miller made an end run to lead at the third quarter, 19-0.

NEW RAH RAH'S

Each year new songs and yells should be added to the list of our old standbys. With new songs and yells comes more school spirit and a real desire to cheer as loudly as possible.

Our aim this year is to outyell every other school in the county. To do this we must have a great deal of spirit and the largest crowds at our games.

Let us exercise our ability along the rah rah rah line and attempt to compose some new yells to spur our teams on to victory.

Let us take the tune of Yankee Doodle or some antique and furnish it some new words that will express our patriotism for our school.

And lastly and most importantly let us be sure that we do not miss a single game if avoidable and yell as much as our throats allow us and remember--if you get to 'horse'-to pull-the rest of the rooters Home.

SPRINGFIELD ATHLETES INSURED AGAINST ACCIDENTS

Twenty-four boys of the SHS football squad were insured yesterday in the Central Casualty Company of Columbus covering accidents that may occur in organized football or practice sessions, as well as basketball, track, etc., during the year.

The boys pay half of the cost and the Athletic Assoc.. the other half,--$200 per year.

SENIORS HOLD MEETING

The Seniors along with their advisors, Mrs. Slife and Miss Mitchell, held their first meeting in the activity room September 27. The officers elected were: President, Jack Kinney; Vice President, Virginia Myers; Secretary, Marian Simpson; Treasurer, Janet Richards. They are to hold their meetings on the first and third Tuesdays of the month during the noon hour.

HAROMANO MEETS

The Haromano Club met at the home of Marian Markle on Tuesday, September 27. This was the first meeting of the year and included old members only. Much of the discussion of the evening was about the home coming game with Norton on Friday, October 7. After the meeting they thoroughly enjoyed a weiner frazzle and later they amused themselves with dancing and singing.

WHEN RIGHT IS WRONG

(Con't from 2)

They pay the expenses of our school that we go to and also the road we walk on. Are we fair to them? If they pay for our education can't we let them use their own road?
